KNA is hiring motivated Cal Poly Graduate Engineers (ARCE and CE) who are eager to learn and grow within our well-established firm. We value integrity, forward thinking and a culture of collaboration both inside and outside the workplace. Our Cal Poly Alumni staff are working on some great projects that support great architectural visions.

ABOUT KNA

Established in 1996, KNA is an award-winning, full-service structural engineering firm delivering innovative solutions to the educational, civic, healthcare and commercial industries. Our services include Full-Service Engineering, Seismic Rehabilitation, Renovations and Modernizations, and Structural Investigations.

ENTRY LEVEL POSITION

We are seeking entry-level engineers with the following qualifications:

- BS-ARCE or BSCE (or equivalent MS)
- EIT Certification
- Experience with AutoCAD, Revit and structural analysis software
- Excellent communication skills

BEYOND

KNA is located in Irvine CA, just minutes from the Irvine Spectrum, sunny beaches and many other popular venues. We promote professional development through our entry-level mentorship program. In-house continuing education, community outreach and company sponsored events add to your experience. KNA offers competitive compensation and benefits.
