

2023 SEAOSC FOUNDATION SCHOLARSHIPS

All undergraduate students in the SEAOSC region are invited to apply for the 2023 SEAOSC Foundation Scholarships!

The scholarship award is based on excellence in academics, leadership, and extra-curricular activities with the desire to pursue a career in structural engineering. All undergraduate students enrolled full-time in an engineering program with emphasis in structural engineering at an accredited college or university who wish to be considered for a scholarship must submit the following information by **January 25, 2023**:

- ✓ A statement of purpose for your future career in structural engineering (two pages maximum);
- ✓ A resume of relevant work experience (if applicable), achievements, leadership roles, and extracurricular activities;
- ✓ An unofficial transcript;
- ✓ A letter of recommendation from an engineering professor;
- ✓ Additional information about yourself in a creative format is welcome such as a brief self-made video, website, etc.

Please email all information in PDF format, along with your contact information, to scholarships@seaosc.org. **Winners will be notified by February 17, 2023.**

SEAOSC Region: Imperial, Kern, Los Angeles, Orange, Riverside, San Bernadino, San Luis Obispo, Santa Barbara, and Ventura Counties

If you have questions, please contact
Molly Pobel & Ashley Gaur,
SEAOSC Younger Member Committee
Scholarship Coordinators
at scholarships@seaosc.org

Winners will be Honored at the 2023 Emerging Engineers Night held in person on March 15, 2023.

Recipients are required to attend the event in order to receive their awards, however exceptions may be considered by the SEAOSC Foundation.
