

2019-2020 EERI/FEMA NEHRP Graduate Fellowship

The **Earthquake Engineering Research Institute (EERI)** is pleased to announce the availability of **two Graduate Fellowships** for the 2019-2020 academic year to support full-time students in a discipline contributing to the science and practice of earthquake hazard mitigation. The one-year fellowship, underwritten with funds provided by the Federal Emergency Management Agency (FEMA), is designed to foster the participation of capable individuals in working toward goals and activities of the National Earthquake Hazards Reduction Program.

Award

The EERI/FEMA NEHRP fellowship provides a stipend of \$12,000 that can be used for tuition, fees, research expenses, and the required attendance and participation at the 2020 EERI Annual Meeting, March 4-6, 2020, in San Diego, California.

Criteria

Applicants must be enrolled in a graduate degree program at an accredited U.S. college or university and must hold U.S. citizenship or permanent resident status. All applications must include an academic transcript and a statement of educational and career goals. Strong consideration will be given to candidates with active involvement in EERI.

All application materials must be submitted electronically to EERI, including a letter of nomination from a faculty sponsor at the student's institution and two additional reference letters. Letters should evaluate the applicant's recent academic performance, document the applicant's research accomplishments, and assess the candidate's potential to contribute to the field.

**Please submit your application using the form on the following page:
