

# NAAB Criteria/Required Architecture Curriculum Courses Matrix

	Number	Criterion	Level	EDes 101	Arch 105	Arch 121/131	Arch 122/132	Arch 123/133	Arch 160	Arch 207	Arch 217	Arch 218	Arch 219	Arch 241	Arch 242	Arch 251	Arch 252	Arch 253	Arch 307	Arch 341	Arch 342	Arch 351	Arch 352	Arch 353	Arch 420	Arch 443	Arch 451	Arch 452	Arch 453	Arch 481	Arch 492	Arch 533	ArcE 211	ArcE 212	ArcE 226	ArcE 315	ArcE 316			
Fundamental Skills and Knowledge	01	Speaking and Writing Skills	A																																					
	02	Critical Thinking Skills	A																																					
	03	Graphic Skills	A																																					
	04	Research Skills	A																																					
	05	Formal Ordering Systems	U																																					
	06	Fundamental Design Skills	A																																					
	07	Collaborative Skills	A																																					
	08	Western Tradition	U																																					
	09	Non-Western Traditions	U																																					
	10	National and Regional Traditions	U																																					
	11	Use of Precedents	A																																					
	12	Human Behavior	U																																					
	13	Human Diversity	U																																					
Technical Skills and Knowledge	14	Accessibility	A																																					
	15	Sustainable Design	U																																					
	16	Program Preparation	A																																					
	17	Site Conditions	A																																					
	18	Structural Systems	U																																					
	19	Environmental Systems	U																																					
	20	Life Safety	U																																					
	21	Building Envelope Systems	U																																					
	22	Building Service Systems	U																																					
	23	Building System Integration	A																																					
24	Building Materials and Assemblies	U																																						
25	Construction Cost Control	U																																						
26	Technical Documentation	A																																						
Practice and Societal Roles	27	Client Role in Architecture	U																																					
	28	Comprehensive Design	A																																					
	29	Architect's Administrative Roles	U																																					
	30	Architectural Practice	U																																					
	31	Professional Development	U																																					
	32	Leadership	U																																					
	33	Legal Responsibilities	U																																					
	34	Ethics and Professional Judgment	U																																					

Approved: June 12, 2008

Notes

- A = ability
- U = understanding
-  = existing criteria
-  = proposed criteria
- ? = questionable criteria
