PROFESSIONAL QUALIFICATIONS

Stephan Pappas serves and the President of Pappas & Pappas Architects, P.C. bringing to the firm over 30 years of extensive knowledge of medical, educational, military, commercial, and other varied types of facilities. His strength lies in design and project management. Because of Stephan's affinity for the computer environment and his intimate working knowledge of many software applications, he is also in charge of overseeing the firm's CAD services and training. Stephan is a member of the American Institute of Architects, and is a LEED Accredited Professional.

The management expertise demonstrated by Stephan Pappas has led to the successful completion of a wide range of projects, from multi-million dollar, high tech medical facilities to high-end custom residential construction. He routinely manages complex projects and is the principle-in-charge for most of Pappas & Pappas Architects' projects. He was the principle-in-charge and lead designer for a \$33,700,000, ten-story, 143,000 square foot medical patient tower addition for the United Medical Center in Cheyenne, Wyoming, and is currently the principal-in-charge of over \$28 million dollars of school work in the State of Wyoming.

Previous to the formation of Pappas & Pappas Architects, P.C., Stephan was with the firms of Kemper & Pappas, P.C., Kemper & Associates (Cheyenne, Wyoming), and Koehnlein Lightoweler Johnson, Inc. (Scottsdale, Arizona).
