High School students are encouraged to take Advanced Placement Tests to earn possible credit for Calculus, Physics and other lower division GE&B courses. See your High School for information on A/P testing.

All prerequisites must be met before beginning third year design. Refer to the Advising Policy on the Architecture Department web site.

Refer to the Cal Poly Catalog for General Education & Breadth (GE&B) choices to fulfill curriculum requirements. Students must complete the University U.S. Cultural Pluralism requirement and Graduation Writing Requirement (GWR). Refer to the University Catalog.

This curriculum diagram is to be used in conjunction with, and does not supersede, the 2007-2009 University Catalog.
