RE: Cal Poly Architecture Summer Career Workshop Scholarship

The Architecture Summer Career Workshop at Cal Poly, San Luis Obispo, will be held from Sunday, June 21st to Friday, July 17<sup>th</sup>, 2020. More information on the workshop is available on-line at: <http://www.architecture.calpoly.edu/about/summer-career>

A limited number of scholarships are available to qualified applicants, unfortunately we are not able to offer scholarships to all that apply. This scholarship includes all course fees, materials, and room and board. The only other costs involved during the workshop are about 4-5 meals on the student's own such as during Thursday night Farmer's Market and some additional spending money for snacks.
