The Art minor must be completed during the same quarter as (or prior to) the completion of the bachelor's degree. At least half of the units must be from upper-division courses (300- or 400-level). At least half of the units must be taken at Cal Poly (in residence). Not more than one-third of the courses in a minor can be graded with student-selected Credit/No Credit (CR/NC), except for courses that have mandatory CR/NC grading. A minimum 2.0 GPA is required in all units counted for completion of the minor. Completion of the minor will be noted on your transcript but will not appear on your diploma.

Step 8
When planning which ART classes to take, utilize the department’s current Tentative Course Offerings list, as some ART classes are available one or two quarters per academic year.

Art minors are not guaranteed a seat in ART classes. If possible, get on the waitlist for ART class you wish to take. During open enrollment (after the first and second rounds of registration) students will be pulled in from the waitlist to fill any available seats.

**Prerequisites** for Art minors may be waived; consent from instructor must be received.

Each quarter, the department office emails Art minors a survey to complete which gives Art minors the opportunity to request a permission number for the ART class they want to take. **Permission numbers are not guaranteed** even if consent is received from the instructor to waive prerequisites.
