

Supplemental Workshops in Math - Fall 2022

Table Key

- Only select **ONE** of the corresponding Math sections located directly below the course & section that you're currently enrolled in. **Note:** Be sure to check your Academics page in Poly Portal to verify your schedule for the correct enrolled course and section (i.e., Math 141-01). You do not need to re-enroll in the Math course and section.
- Time Conflict: students are allowed a maximum 20-minute academic time conflict. Time conflict forms can be found at: https://registrar.calpoly.edu/registrar_forms
- Class sections with a dash in front of the number (i.e., -02) equals another section given by the same professor, which qualifies for a workshop.
- MW = Mondays and Wednesdays, TR = Tuesdays and Thursdays

Important Note: Not all math courses and sections receive a Supplemental Workshop. If you do not see your course and section under the following listing, it means we currently do not offer a Math workshop for the course and section this quarter. We do not recommend out of placement enrollment of courses to Math Workshops.
