

Supplemental Workshops in Math- Fall 2020

Table Key

- Only select **ONE** of the corresponding Math sections located directly below the lecture & section that you're currently enrolled in. **Note:** *Be sure to check your Academics page in Poly Portal to verify your course schedule for the correct enrolled lecture and section (i.e., Math 141-04). You do not need to re-enroll in the Math lecture and section.*
- Time Conflict: students are allowed a maximum 20-minute academic time conflict. Time Conflict forms can be picked up in the Academic Skills Center located in Kennedy Library, Room 112.
- Class sections with a dash in front of the number (i.e., -02) equals another lecture given by the same professor which qualifies for a workshop.
- MW = Mondays and Wednesdays, TR = Tuesdays and Thursdays

Important Note: *Not all math lectures and sections receive a Supplemental Workshop. If you do not see your lecture and section under the following listing, it means we currently do not offer a Math workshop for the lecture and section this quarter. We do not recommend out of placement enrollment of lectures to Math Workshops.*
