

## Supplemental Workshops in Science (SCM 150)- Fall 2020

### Table Key

- Only select **ONE** of the corresponding SCM 150 sections located directly below the lecture & section that you're currently enrolled in. **Note:** Be sure to check your Academics page in Poly Portal to verify your course schedule for the correct enrolled lecture and section (i.e., BIO 111-03). You do not need to re-enroll in the Science lecture and section.
- Time Conflict: students are allowed a maximum 20-minute academic time conflict. Time conflict forms can be found at: [https://registrar.calpoly.edu/registrar\\_forms](https://registrar.calpoly.edu/registrar_forms)
- Class sections with a dash in front of the number (i.e., -02) = another lecture given by the same professor which qualifies for a workshop.
- MW = Mondays and Wednesdays, TR = Tuesdays and Thursdays

**Important Note:** Not all science lectures and sections receive a Supplemental Workshop (SCM 150). If you do not see your lecture and section under the following listing, it means we currently do not offer an SCM 150 workshop for the lecture and section this quarter. We do not recommend out of placement enrollment of lectures to SCM 150 Workshops.
