

Supplemental Workshops in Science (SCM 150)- Fall 2022

Table Key

- Only select **ONE** of the corresponding SCM 150 sections located directly below the course & section that you're currently enrolled in. **Note:** Be sure to check your Academics page in Poly Portal to verify your course schedule for the correct enrolled course and section (i.e., BIO 150-01). You do not need to re-enroll in the Science course and section.
- Time Conflict: students are allowed a maximum 20-minute academic time conflict. Time conflict forms can be found at: https://registrar.calpoly.edu/registrar_forms
- Class sections with a dash in front of the number (i.e., -02) = another section given by the same professor, which qualifies for a workshop.
- MW = Mondays and Wednesdays, TR = Tuesdays and Thursdays

Important Note: Not all science courses and sections receive a Supplemental Workshop (SCM 150). If you do not see your course and section under the following listing, it means we currently do not offer an SCM 150 workshop for the course and section this quarter. We do not recommend out of placement enrollment of courses to SCM 150 Workshops.
