Supplemental Workshops in Math - Winter 2024

Table Key

- Only select **ONE** of the corresponding Math sections located directly below the course & section that you’re currently enrolled in. **Note:** Be sure to check your Academics page in Poly Portal to verify your schedule for the correct enrolled course and section (i.e., Math 141-01). You do not need to re-enroll in the Math course and section.
- Time Conflict: students are allowed a maximum 20-minute academic time conflict. Time conflict forms can be found at: [https://registrar.calpoly.edu/registrar_forms](https://registrar.calpoly.edu/registrar_forms)
- Class sections with a dash in front of the number (i.e., -02) equals another section given by the same professor, which qualifies for a workshop.
- **MW** = Mondays and Wednesdays, **TR** = Tuesdays and Thursdays

**Important Note:** Not all math courses and sections receive a Supplemental Workshop. If you do not see your course and section under the following listing, it means we currently do not offer a Math workshop for the course and section this quarter. We suggest you check in with the professor you are enrolled with to see which alternate workshop would offer the greatest assistance.
