2. Highlights of Events and Accomplishments from 2013-2014. We reviewed the following highlights from events that took place this past year
   a. 2013 Black Legacy Weekend (July, 2013) – gathered great momentum for the creation of a Black Alumni Association which is something that many people have wanted for quite some time.
   b. BFSA Web Page – thanks Staci for helping us migrate the BFSA web page to Drupal and for keeping it up to date the past year
   c. OUDI Welcome Reception – Annie Holmes and Staci Shoals worked hard to plan for and host the first ever welcome reception for diversity and inclusivity. Mark your calendars for the 2nd welcome reception which is scheduled to take place on Tuesday, September 30, 2014 from 4:00 – 6:00 p.m. in the UU Plaza.
   d. Joint FSA Social – The leaders from the various Faculty and Staff Associations collaborated on a variety of projects this past year. The first event was a welcome social for faculty and staff that took place in October 2013. Hopefully there will be similar events in the future.
   e. Home Visit – Thanks to Danny and Marsheila Williams for hosting a home visit during October 2013. Home visits are a traditional event for BFSA and hopefully we can continue them in the future.
   f. Cal Poly Black Alumni Association (CPBAA) had a tailgate and meeting in November 2013. There was also a joint meeting of BFSA and CPBAA to discuss next steps in preparing for 2014 Black Legacy Weekend and the approval of CPBAA as a bona fide entity within the Cal Poly Alumni Association
   g. Thanksgiving Potluck – November 2013 – was a great event. We had a wonderful potluck with about 30 faculty, staff and students in attendance at the San Luis Obispo Senior Center. This is an event that BFSA should definitely continue doing.
   h. Bowling with BFSA – Our winter quarter event (February 2014) was a bowling and pizza party at Mustang Lanes.
   i. Dr. Thomas Parham’s visit to Cal Poly (May 14-15, 2014) was absolutely amazing. Thanks to Dr. Roslyn Caldwell for all her efforts in bringing Dr. Parham to our campus. There are plans underway for
him to be back on campus in fall quarter. His leadership and wisdom related to culturally transforming educational institutions is invaluable to members of the Cal Poly community.

3. Upcoming Events
   a. Black Commencement – June 13, 2014 at 6:00 p.m. in Spanos Theater. Renoda Campbell reported that 21 students are on the program. This is the largest number of participants since 2001. Camille will connect with Renoda and get instructions for faculty and staff who plan to participate. Please wear your regalia 😊.

   b. 2014 Black Legacy Weekend – July 24-27, 2014. We reviewed the schedule of events and wanted to re-confirm the following important points of information.
      i. It is VITALLY Important that everyone who wants to attend should register online. Camille is working with Conference and Event Planning (CEP) to set up the registration information.
      ii. Registration fee is $25.00 registration fee per “family”. This fee is the same for everyone...even if you have paid your BFSA dues for 2013-2014. The only difference is that current Cal Poly students will only have to pay for the barbecue if they plan to attend this year.
      iii. Camille will forward the updated schedule to Staci so she can post it on the BFSA Web Page. She will also send an announcement to the BFSA email distribution list when all the materials are ready for distribution.

4. Planning for Next Year
   a. Electing Co-Chairs – Nominees are Danny Williams and Bonnie Murphy. M/S/P – unanimous approval. Congratulations to Danny and Bonnie. Preston and Camille will meet with them and help prepare for the transition. Their term of office will begin at the conclusion of Black Legacy Weekend.
