Research Experience**

One quarter  
seminar class -  
library research  
and proposal  
writing

Perform  
research  
project &  
write report

Culminating Assignment:  
Original Research proposal

Culminating Assignment:  
Final Research Report

Planning: Enroll  
during your junior  
or early senior year.

Planning: Talk to  
potential research  
advisors by junior  
year. Enroll Sr year.

How: Enroll yourself.  
Prereqs: Jr standing; complete  
GWR and STAT 218.

How: Ask research advisor to sign  
enrollment card to get permission #.  
Prereqs: Jr standing; complete GWR  
and STAT 218, instructor consent.

NOTES: You can take BIO 461 and  
also take BIO 300 and 400 as  
approved electives to get  
research experience.

NOTES: Ideally, take BIO 400 first.  
Plan to work on project for two to  
three quarters for maximal benefit.
