More information can be found online at: http://www.proteusinc.org/index.php/scholarshipopportunities

Student Fitness Scholarship

Are you a student enthusiastic about health and fitness? Apply with a short 5-10 minute form to win $1,000 towards school!
Survey can be found online at: http://www.steroidal.com/scholarship/index.html

National Home Improvement Scholarship

We are looking to give one student the opportunity to prove why they deserve this scholarship. The challenge is simple, we want you to write an essay of 1000 words or less about how you will use your education to help others. The deadline for submissions is on May 1st, 2015. Email to nhi@nationalhomeimprovement.com. Please be sure to include the following in your email:
• Your full name, major, grade, school and essay

More information can be found online at: http://nationalhomeimprovement.com/national-home-improvement-scholarship/
Come join the HGM team as an Application Engineer!

H.G. Makelim Co., the leading Value Added Reseller and Distributor of diesel and gas powered engines, service parts, and prime power generators has an outstanding opportunity for a new college grad as an Application Engineer for our fast-growing Engine Division.

In this role you will be a key member of the Engine Division team responsible for the design and support of engine packages for the Company’s OEM customers. You will also be responsible for CARB and EPA compliance testing, conducting field evaluations of applications in use, and other sales support of engine applications.

Located in Modesto, CA, the position supports H.G. Makelim’s activities in 8 western states with the opportunity to travel throughout the West (about 25% travel).

If you are looking for an opportunity to learn and grow with the best and would like to work with the industry's top customers and vendors, this could be just what you are looking for! For more information and to apply, please contact Bryce DaFonte at bdafonte@hgmakelim.com or call Bryce at (650) 827-7552.

H.G. Makelim Co. is an equal opportunity employer.
**Student Opportunities**

**Irrigation Assistant for the HCS Crops Unit**

The Horticulture and Crops Science Department is hiring an Irrigation Assistant to execute the irrigation and fertigation schedules at the HCS Crops Unit.

**Job Summary**

The HCS Crops Unit consists of 70 acres of productive citrus, avocado and deciduous orchards, berries, vineyards and vegetable row crops. The Irrigation Assistant will work under the supervision of the staff Technician and will help oversee the execution of irrigation and fertigation schedules for the deciduous and citrus/avocado orchards.

The irrigation Assistant will be trained in irrigation operating procedures and will learn the proper use and maintenance of irrometers, media filters, flow meters and other equipment related to irrigation and fertigation. The Assistant will also collect and process water samples.

Additional duties involve assisting with larger irrigation related projects during the summer.

**Primary Responsibilities**

- Assisting with monitoring and maintaining irrigation and fertigation equipment
- Execute irrigation schedules
- Collect and process water samples

**Requirements**

- Reliable
- Must be available throughout summer
- Must be willing to work as part of the Crops Unit team consisting of students, staff and faculty
- Ability to prioritize and execute work assignments efficiently
- Ensure timely irrigation applications
- Must be able to lift 50 lbs or more

**Experience**

- Basic knowledge of irrigation systems and completion of irrigation course preferred.

**Hours and Salary**

- 5-10 hrs/week during the Spring quarter; more hours possible with summer projects
- Salary commensurate with experience

**Start Date** - Training can begin immediately

To apply, please submit a resume to Johnny Rosecrans (jrosecr@calpoly.edu).

For questions regarding this position, contact Johnny Rosecrans (jrosecr@calpoly.edu).

For the latest schedule including Networking Sessions, go to careerservices.calpoly.edu and click on Upcoming Events.
Attention all BRAE/ASM students. We need volunteers to work various shifts this Friday and Saturday for Cal Poly Open House.

On Friday morning of April 17th we need volunteers to lead prospective students from the PAC to the Farm Shop. In the Farm Shop, there will be speeches by students and faculty in the College of Agriculture, Food, and Environments Sciences for prospective students and their parents. Also on Friday, we need volunteers to lead these prospective students around the labs and classrooms and to talk about what our department has to offer.

On Saturday, April 18th, from 7am-5pm, we need volunteers to work/set up/clean up the booth for Ag Pavilion (in the farm shop). Ag Pavilion will include booths for every department in CAFES. Our booth will be collaboration between the BRAE Department and department clubs/organizations (AES/ASABE/SAE/ITRC). Its purpose is to showcase student projects and talk to prospective students about why this is the BEST department on campus! This would be the perfect place to tell others why you chose your major and what your classes have been like!

These volunteer opportunities are for Freshmen, Sophomore, Junior, Senior, and Transfer students. Can only make an hour or two? That’s okay! Any time you can volunteer for is greatly appreciated! All those interested, please email Susie Parrish the AES Open House Rep at slparris@cal-poly.edu ASAP to sign up for a time slot for either day.

Thanks!
Perks of being an Officer:
• Plan AES Events including monthly meetings!
• Strengthen your Resume!
• Meet industry leaders!
• Give back to the BRAE department!

Attend the 7th General AES Meeting!
- Free Tacos during the meeting!
- Nominations for next year’s AES Officer Team!
- Help choose the next generation of leaders!

Wednesday, April 15th
6pm in Bldg 8-122
If you’re unsure, don’t hesitate to ask!
- Virgil Threlkel

When working in the labs, make sure to ask questions if you are confused on what you are doing or need any help.
