### General Education (GE) Courses:

Refer to 2020-21 Cal Poly Catalog and Degree Planner to see full listing of GE requirements and offerings.

Suggested Courses:

- Area D5: Upper Division D Elective
- Area C4: Upper Division C Elective – (Select an upper-division C elective that also satisfies the GWR and USCP requirement to triple-count this class)

### Additional Notes:

ASM is a rigorous major. It is advisable to take lower division GE and some major/support classes in the summer here at Cal Poly, online, or at Community Colleges to expedite your graduation date and free up your traditional quarters. Use assist.org and see an advisor and/or Office of the Registrar to make sure you are taking a class that will satisfy a required course before enrolling in summer courses anywhere.

- The Graduation Writing Requirement (GWR) must be fulfilled by enrolling in a GWR-approved, upper-division English course OR by registering for the Writing Proficiency Examination (WPE). For GWR course information and WPE exam dates and registration, please see <http://www.writingcenter.calpoly.edu/content/gwr/index>. To find out which classes are being offered in the Fall quarter that can be used to satisfy the GWR, please check "Show GWR Classes" in the Select Course List menu in *Degree Planner* and *Schedule Builder*.
- United States Cultural Pluralism (USCP) requirement must be satisfied before graduation. You can search for classes in Degree Planner that will allow you to satisfy both GE area and the USCP requirement
