COUNTY OF SAN DIEGO
invites applications for the position of:

Assistant Air Resources Specialist-17385206

---

**SALARY:** $55,889.60 - $68,640.00 Annually

**OPENING DATE:** 07/06/17

**CLOSING DATE:** 07/23/17 11:59 PM

**JOB SUMMARY:**

The County of San Diego is currently accepting job applications for Assistant Air Resources Specialist. Employees in this job class perform professional level work relating to air pollution emissions estimations and impact evaluations. Employees also evaluate air quality management information, review and evaluate emission reduction project grant applications and reports, conduct inspections of equipment and other sources of air pollution, and provide compliance assistance to small businesses. The [APCD website](http://apcd.sandiego.gov) provides additional information on the District.
Minimum Qualifications:

A bachelor's degree from an accredited U.S. college or university, or a certified foreign studies equivalency in engineering, physical science, mathematics, economics, environmental planning, environmental science, life science, or a closely related field; AND,

1. One (1) year of recent, progressively responsible professional level experience performing at least one of the following:
   1. Collecting and analyzing data related to air quality emission inventory and emission factors;
   2. Conducting evaluations related to engineering, environmental or physical sciences, grant programs, or urban planning;
   3. Enforcing air pollution laws, codes, or regulations; OR,
2. One (1) year as an Air Pollution Control Aide in the County of San Diego.

The job description provides additional information on this class title, such as essential functions, requirements, and working conditions.

Evaluation Process:
The names of qualified applicants will be placed on a twelve (12) month employment list based on scores received during the evaluation of information contained in their employment and supplemental applications. Please ensure all information is complete and accurate as the responses you provide on the supplemental application form will be reviewed using an automated evaluation system. If you are successful in the initial screening process your application will be reviewed individually to confirm that the information you provided is accurate and qualifying.

Reasonable accommodation may be made to enable an individual with qualified disabilities to perform the essential functions of a job, on a case-by-case basis.

NOTE: Please ensure all information is complete and accurate, as the responses you provide on the supplemental application questionnaire will be reviewed using an automated evaluation system. If you are successful in the initial screening process, your application will be reviewed individually to confirm that the information you provided is accurate and qualifying.

The County of San Diego has discontinued letter notifications to candidates. All notifications to job applicants will be conducted via electronic mail. In order to receive timely notifications on the status of your application, please be sure that you have typed your e-mail address on the Master Profile Section in an accurate and complete manner. Also, be sure to check your spam or junk email in box to see if you received such notifications.

Reasonable accommodation may be made to enable an individual with qualified disabilities to perform the essential functions of a job, on a case-by-case basis.

Under California Government Code Sections 3100 - 3109, public employees are designated as disaster service workers. The term "public employees" includes all persons employed by the state or any county, city, state agency, or public district. Disaster service workers are required to participate in such disaster service activities as may be assigned to them by their employer or by law.
The County of San Diego is committed to valuing diversity and practicing inclusion because our diverse workforce is our greatest asset and our customers are our number one priority.
