The Cal Poly Tractor Pull team brought home first place this last weekend in Modesto! With one competition left this year in Merced, it promises to be a great finish. Check out the whole scoop on page 6!
Please join me in congratulating Scott Mendonca, a published author and sophomore ASM major. Scott had his freshman essay “Boots” published in this year’s edition of Fresh Voices: College Composition at Cal Poly. Nearly 300 essays were submitted for review and his was one of 34 selected for publication. Scott was recognized at an awards reception last Friday, October 7, 2016. His essay was one of growing up, that special time you have with your Dad early in the morning, and thinking about your future. Great job Scott!

Dr. Peter Livingston
BRAE Department Head

Cal Poly BRAE student Lily Muir held a 4.0 during the 2015-2016 academic school year, being the standout member of the President’s list for the BioResource and Agricultural Engineering Department.

**What is your year and major?**
“I am a senior BRAE major, focused on bioresource and electrical”

**What organizations are you involved with on campus?**
“I am vice president of the Precision Ag and Automation Club (PAAC) while also being team member who attended the National competition ASABE in Orlando in 2016. I am also a member of the Kappa Kappa Gamma sorority, Cal Poly Robotics Club, AES, and New Student Transition Programs as an orientation leader!”

**How do you balance school and campus involvement?**
“My main goal in life is getting enough sleep and I meet that goal. Then I prioritize life, choosing between mandatory vs optional tasks, then stay focused until each is complete.”

**What advice do you have for other students to be as successful in the classroom?**
Pay attention in class
Make the best of each class.
Find joy in every class.
Love to learn
Results of “Strengths Quest” Learner, input, strategic, achiever and individualization.

**What do you see yourself doing following graduation?**
“Applying to graduate schools for ocean engineering”

Week 3

For New Members!

Stay in the loop by joining our email list on our website and our Facebook group! Membership costs $20 for freshmen and $25 for everyone else. You get this year’s awesome t-shirt! Just come to one of our events and let an officer know you’re interested in joining!

We are also selling EWB tank tops for $15 and hats for $20.

Have more questions? Check out our EWB FAQ’s!

Weekly Events

Project Meetings are every Monday 7pm! Please meet in the Construction Innovations Building Courtyard, Bldg 186 for a brief intro by our president.

Here are the team room locations:
  2-204 - Nicaragua
  20-140 - Thailand
  186-c101 - Malawi
  186-c201 - India
  186-c300 - Local Projects

Ultimate Frisbee every Monday at 9pm (after project meetings)! You must wear your new EWB shirt to be able to play! No experience is required.

IMPACT, our local volunteering event, meetings are every Tuesday at 6:30 pm on the second floor of the library in one of the fishbowls.

EWB Tea Time is every Friday 11-1pm at the second floor of the Library. Come chat and enjoy some tea with President Dan and VP Beth!

Events this Week

1. Learn about EWB and meet other members at our General Meeting Wednesday at 6 pm! We will be gathering in the courtyard of the Construction Innovations Building B186.

2. The Regional Conference is in Las Vegas, Nevada this Friday to Sunday. Sign up for the conference here. Registration costs $150. We will be reimbursing around $30. If you’re going, please sign up here by Tuesday night so we can organize rides.

Have an awesome week!
College of Engineering

Graduate School Fair

Thursday, October 20
10:10 A.M. – 12 P.M. Building 192 Room 220

Come learn about graduate school opportunities in engineering

The College of Engineering (CENG) is hosting a fair to discuss the following topics:

What is graduate school and why would you consider going

How to search for a graduate program

Cal Poly graduate programs including 4+1 (or blended) programs

How Career Services can help in graduate school application process

Question and answer session with faculty panelists

The following engineering programs will have a table and representatives to discuss their specific graduate programs:

- Aerospace Engineering
- Civil and Environmental Engineering
- Fire Protection Engineering
- Mechanical Engineering
- MS in Business Analytics
- BioResource & Agriculture Engineering
- Regenerative Medicine
- Electrical Engineering
- Industrial Engineering
- MBA/MS in Engineering Management

Refreshments will be provided. Please come and learn about graduate school
This past weekend the tractor pull team traveled to Modesto Junior College for a tractor pull. Mustang Fever made the trip to MJC and was driven by Kara Kline. It was a very successful event for tractor pull with Kara taking home 1st place. The final tractor pull for 2016 will take place on October 22nd in Merced. For more information or if you would like to join, contact Joey Roberts (jrober30@calpoly.edu) or attend one of the upcoming meetings.

Upcoming Meetings:
Tuesdays @ 7pm in the Surveying Room 08-122
10/11
10/25
11/8
11/29
