

Engineering and systems management support for agriculture

THE BRAE WEEKLY

The Weekly Newsletter for the BioResource & Agricultural Engineering Department

WEEK 4~ October 19th, 2016

The AES Club represented the BRAE department very well, feeding over 130 Community College students and faculty visiting San Luis Obispo for an Agricultural Summit. The club barbequed pork for the diverse group of attendees at this year's California Community College Agricultural Collegiate day. Thank You for your hard work!
