# Engineers Without Borders (EWB)

## Events:

1. Monday- Sustainability Task Force, Crash Course, Project Team Meetings
2. Tuesday- IMPACT
3. General Meeting
3. IM Volleyball

Check out our google calendar here!

1. Project Meetings and Sustainability Task Force will be every Monday from 7:00-9:00pm!

Here are the team room locations:

EWB Crash Course: 10-227

Fiji: 10-225

Local Projects: 33-289

Thailand: 33-287

Nicaragua: 10-124 <-- (This is a new room!)

Malawi: 38-227

Sustainability Task Force is a group seeking to enhance Cal Poly's EWB Chapter through working on projects related to socio, economic, cross-generational and environmental sustainability. We want to ensure that our chapter is fulfilling its purpose of "equipping leaders to solve some of the world's most pressing challenges".

The STF meets at 6pm every Monday in Building 10, room 225.<-- Also new room!

Introducing the new EWB Crash Course designed for new members who want to learn about EWB and which teams and positions work best for them! The EWB Crash Course is optional and will be held during project team meetings from 7:00-9:00pm on Mondays for the first 6 weeks of this quarter. The room where they will be meeting is 10-238.

2. IMPACT meets every Tuesday 11:10-12:00pm in the library fishbowl 216R. Come by if you want to make a difference locally by volunteering in SLO! Yay SLOme!

3. General Meeting on Wednesday at 6:00pm in 33-286

Come to learn about how our project teams communicate with their communities from Cal Poly and in-country, and we will also be playing an interactive game that involves communicating with all parties involved in a project! There will also be pizza!

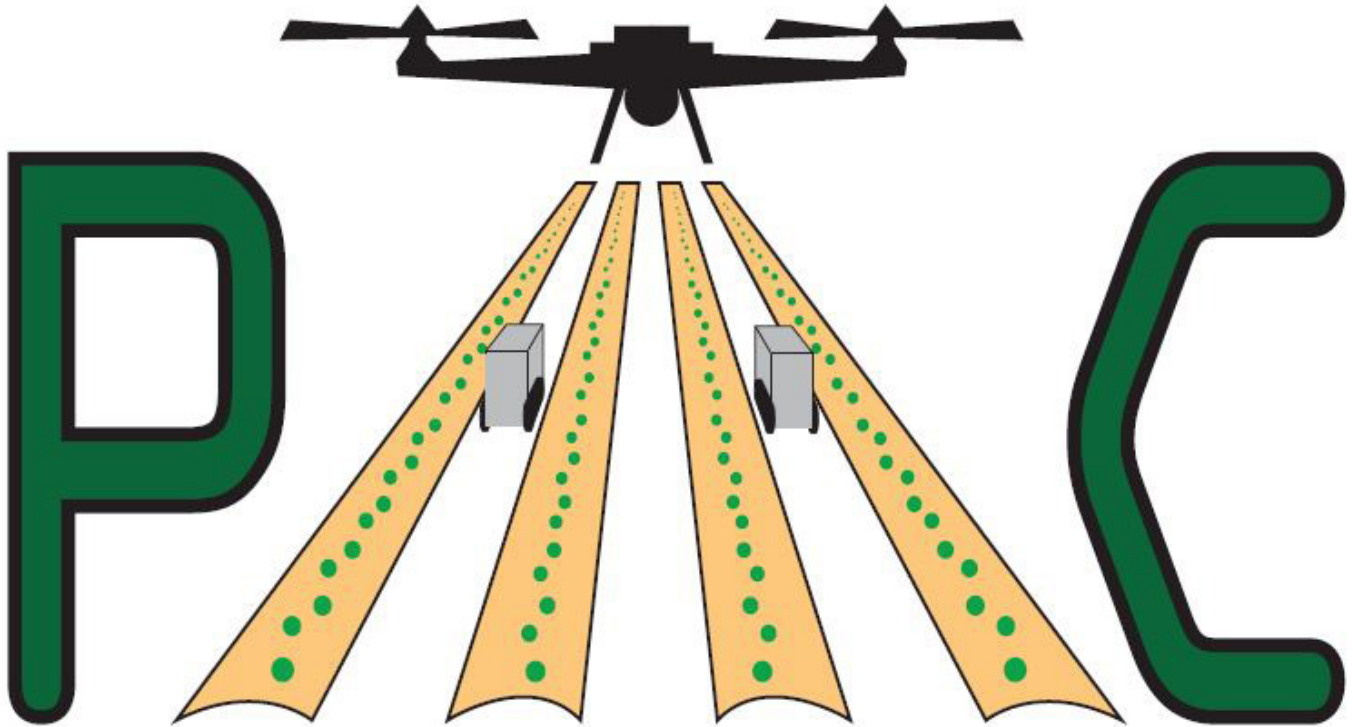

4. Volleyball IMs Thursday Nights at 7:30pm-8:30pm

First game the night of Thursday, October 5th! Come support our chapter by signing up on our roster below or cheering for the rest of us on the court! There will be snacks provided so first come first serve, as spots (not just snacks) are limited. Looking forward to see you all out there!

# PAAC is Here!

Come for fun people, free pizza, and robots  
We've got an exciting quarter and we hope you can be a part of it!  
Meetings are Thursdays 6-8 pm in room 8A-3E

## Precision Ag. and Automation Club

Intro to PAAC and REACT in Agriculture

8-3E (PC/Electronics Lab)

PAAC Mission, officers, projects, REACT Weekly lessons & modules, resources & tour, activity.

Taught by: PAAC Officers

### Member of the Week

This could be you!

Do you have a friend in the club who did something cool but doesn't want to brag? Do you have something neat to share? Let us know and we'll put you in the newsletter!

### Project of the Week

TBA

2017

Young Women in Agriculture Career & Leadership Seminar:

*Framing Your Future*

**JOIN US** to learn from industry leaders about opportunities available to women in agriculture.

**DATE:** October 14, 2017 9 a.m. to 4 p.m.

**LOCATION:** Cal Poly University, San Luis Obispo

**FOR MORE INFORMATION:**

Young Women in Agriculture Career & Leadership Seminar

# Come volunteer at Building An Engineer (BAE) Day!

October 21, 2017 8:00 AM - 2:00 PM

**BAE Day is an event that allows middle school students to participate in a series of engineering activities and labs from the various engineering clubs on campus. The Agricultural Engineering Society teaches students about horsepower in a fun and interactive way! If you are interested in volunteering, fill out the signup sheet located in Tina's office (8-101).**

When: October 21, 2017 8:00 AM - 2:00 PM

Where: Irrigation Practice Fields (near the H-16 parking lot)
