CAL POLY CAREER SERVICES

CONSTRUCTION MANAGEMENT CAREER FAIR

JOBS & INTERNSHIPS

The Construction Management Career Fair is a unique opportunity to meet with companies interested in connecting with students interested construction management. Meet employers and network to learn about full-time, co-op, or internship opportunities, and come prepared for same-day interviews.

Prepare for the career fair with networking advice, resume and cover letter workshops, and participate in mock interviews-all offered by Career Services. Whether you are in your first year and just want to explore and see how it all works, or if you are about to graduate and need a full time position-this event is for you!

Event Breakdown

Event location: Chumash Auditorium, Building 65

9:30 a.m.-12:00 p.m. network with employers

12:00 p.m.-1:30 p.m. employer and student networking luncheon*

1:30 p.m.-4:30 p.m. interviews-candidates selected by employers

*The first 50 students will receive a free catered lunch and additional networking time with employers.

Before the Fair: Strategize & Research

1. Research Employers
2. Apply for internship or jobs posted
3. Tailor your Resume
4. Prepare your Pitch & Practice

At the Fair: Prioritize & Connect

1. Bring your resume
2. Dress professionally
3. Visit your top 5-10 companies

After the Fair: Follow-up

1. Write it down
2. Send a thank you note or email.

To view the entire list of attending companies and positions they are recruiting for at the Career Fair visit the [event page](#) on MustangJOBS, powered by Handshake.

Have your resume critiqued by a Career Counselor before the fair during drop-in hours or by appointment.

Check out our interview tips and prepare for common questions.

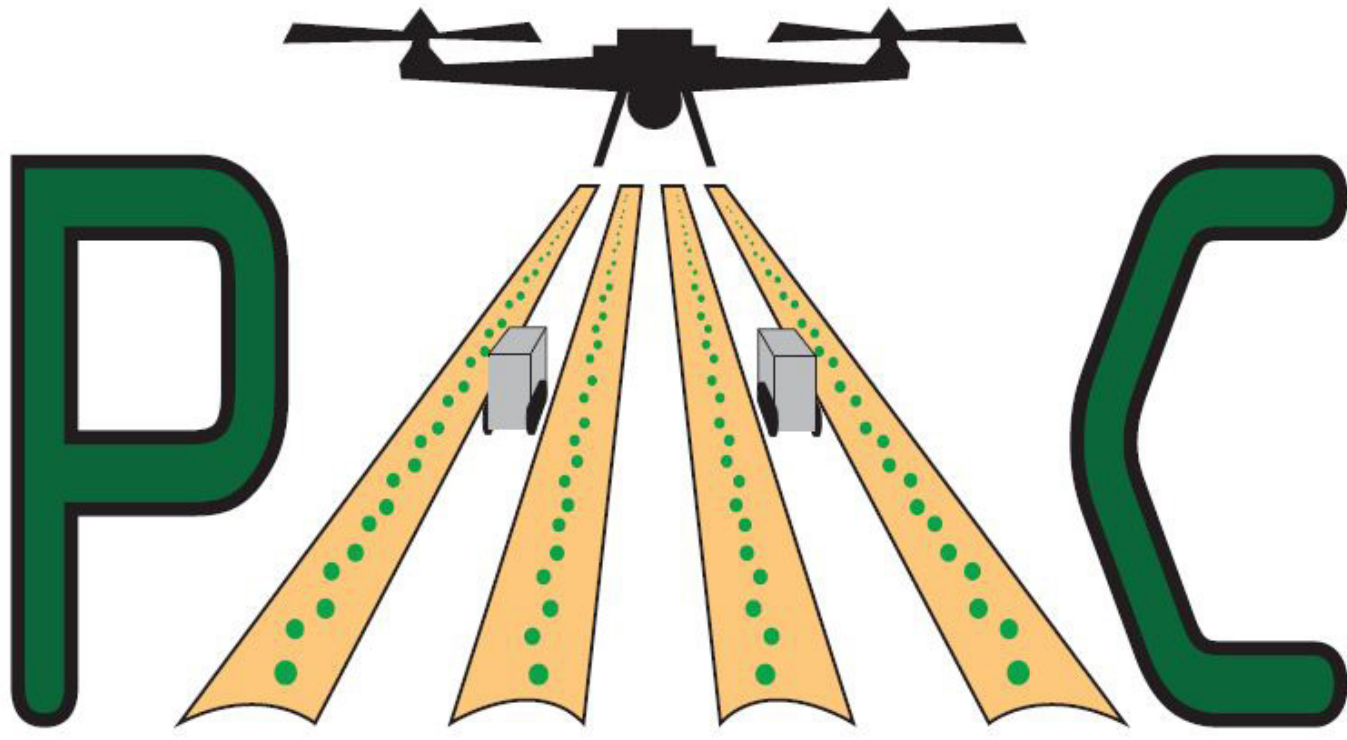

Make sure your professional attire is ready to go.

Engineers Without Borders (EWB)

6

Check out our [Google calendar here!](#)

1. Sustainability Task Force is a group seeking to enhance Cal Poly's EWB Chapter through working on projects related to socio, economic, cross-generational and environmental sustainability. We want to ensure that our chapter is fulfilling its purpose of "equipping leaders to solve some of the world's most pressing challenges".

The STF meets at 6pm every Monday in Building 10, room 225.

2. Project Meetings will be every Monday from 7:00-9:00pm!

Here are the team room locations:

EWB Crash Course: Building 10 courtyard

Fiji: 10-225

Local Projects: 33-289

Thailand: 10-227

Nicaragua: 10-124

Malawi: 38-227

2. Introducing the new EWB Crash Course designed for new members who want to learn about EWB and which teams and positions work best for them! The EWB Crash Course is optional and is held during project team meetings from 7:00-9:00pm on Mondays for the first 6 weeks of this quarter. This week we are meeting in the same rooms as last week:

Nathan & DJ and Cayley's Groups: 53-215

Dan and Payton's Groups: 53-206

Jess and Carolina's Groups: 33- 287

3. General Meeting! Join us for free pizza this Wednesday 6-7:30, building 10-225 to learn about how EWB plays a key role in international development! We'll be sharing our experiences from this year's National EWB-USA Conference and discussing the United Nations Sustainable Development Goals (UN SDGs), the global goals for sustainable development. Even if you can't come to all of it, we'd love to see you!

<https://sustainabledevelopment.un.org/sdgs>

4. IMPACT meets every Tuesday 11:10-12:00pm in the library fishbowl 216R. IMPACT, Engineers Without Borders' volunteering team, works with nonprofits across San Luis Obispo County to carry on the tradition of thinking globally and acting locally. IMPACT organizes volunteering events that unite EWB members and fellow Cal Poly students with local nonprofits dedicated to the community EWB Cal Poly knows and loves. In addition to future volunteering events, IMPACT is looking forward to building long term relationships in the community through a partner program between nonprofits and EWB project teams.

5. Volleyball IMs Thursday Nights at 7:30pm-8:30pm

Come support our chapter by signing up on our roster below or cheering for the rest of us on the court! There will be snacks provided so first come first serve, as spots (not just snacks) are limited. Looking forward to see you all out there!

Come volunteer at
Building An Engineer (BAE) Day!
October 21, 2017 8:00 AM - 2:00 PM

BAE Day is an event that allows middle school students to participate in a series of engineering activities and labs from the various engineering clubs on campus. The Agricultural Engineering Society teaches students about horsepower in a fun and interactive way! If you are interested in volunteering, fill out the signup sheet located in Tina's office (8-101).

When: October 21, 2017 8:00 AM - 2:00 PM

Where: Irrigation Practice Fields (near the H-16 parking lot)
