All Project Team Meetings will continue to take place in building 38.

Team Nicaragua is hosting a trivia night fundraiser on Thursday, November 15th at Woodstocks! Please stop by to support the team and also have a fun time!

There will be NOT be Tea Time this Friday, as we will be attending the EWB-USA conference.

Meetings:

Critical Global Engagement Club:
Part of EWB's mission is to "empower communities to meet their basic human needs." This mission is admirable, but what does it look like in practice?
What does it mean to empower a community? How can we confront the complex power structures that have inhibited communities from meeting their basic human needs? These questions have no simple, distinct solution. Critical Global Engagement (CGE) Club is partnering with EWB to host discussions and further projects to explore these questions. This week we will be discussing ethical photography and challenging stereotypical media representations of foreign aid. Join us Mondays 6:00-7:00 pm in building 38 room 220!

General Meeting:
This Wednesday in 10-115 at 7:10pm we will be hosting a representative from Cal Poly's Dream Center for our general meeting. At this meeting we will learn about resources for undocumented students on campus and how we as members of EWB can do our part in supporting them. Also, the Cross Cultural Center will be hosting the State of Indigeneity from 5:30 - 7:00pm in the UU 220. This will be a corrective dialogue by Indigenous faculty, staff, and students that centers on resilience and strength. It will focus on the distinct experiences of Indigenous Peoples. We highly encourage you to attend both of these events so that we as Cal Poly EWB members can be more socially and culturally aware of our campus community.

Project Meetings are every Monday from 7:00-9:00 pm for Local Projects, Nicaragua, and Malawi, and 8:00-10:00 pm for Thailand and Fiji. Feel free to try out different project teams and be sure to introduce yourselves to the PMs if you're new to EWB!

Here are the team room locations:
- Fiji: 38-121
- Local Projects: 38-204
- Thailand: 38-219
- Nicaragua: 38-220
- Malawi: 38-225

IMPACT:
IMPACT, Engineers Without Borders’ volunteering team, works with nonprofits across SLO County to carry on the tradition of thinking globally and acting locally. IMPACT organizes volunteering events that unite EWB members and fellow Cal Poly students with local nonprofits dedicated to the community EWB Cal Poly knows and loves. This quarter we will be researching ways to improve our annual EWB IMPACT Weekend that is scheduled for the end of winter quarter.
Meetings are held Mondays 10:00-11:00 am in the library fishbowl 216S. THERE WILL BE SNACKS!!! All are welcome!

Tea Time
Unfortunately there will be no tea time this week as we will be traveling to San Francisco for the EWB National Conference.
