This Week's Meeting
AgBot Team Projects
This week, we’ll break into teams and each team is going to work on different aspects of our robot for AgBot! We’re also going to set deadlines for projects.

AgBot Challenge
PAAC is competing in both the Weed and Feed and Soil Sampling competitions. Information about past competitions can be found below!

Info Here!

ASABE Robotics Competition
Every year, PAAC builds tabletop robots that accomplish harvesting tasks. We recently received the tentative guidelines for this year's competition! Click below for the details!

Hi EWB,

Welcome back everyone! We hope you had a great winter break and we’re excited to get back into things. Please be sure to read through everything as meeting times and rooms have changed.

Meetings:

Monday-
Critical Global Engagement Club,
Project Team Meetings,
IMPACT

Wednesday -
General Meeting

Friday-
Tea Time

Announcements:

We will be having our first general meeting of the quarter this Wednesday, 1/10, in room 13-110. At this meeting we will be having a discussion related to the United Nations Science, Technology, and Innovation forum that we will be attending in May. We will also be going over how you can apply to go to the forum. There will also be free pizza so please come out!

For Winter Quarter, all project team meetings will be from 7-9pm on Monday nights. These are the room numbers for each meeting:

Fiji: 10-115
Local Projects: 02-203
Thailand: 38-226
Nicaragua: 13-110
Malawi: 38-225

Meetings:

Critical Global Engagement Club:
Part of EWB’s mission is to “empower communities to meet their basic human needs.” This mission is admirable, but what does it look like in practice? What does it mean to empower a community? How can we confront the complex power structures that have inhibited communities from meeting their basic human needs? These questions have no simple, distinct solution.

Critical Global Engagement (CGE) Club is partnering with EWB to host discussions and further projects to explore these questions. Tomorrow we will introduce project lead positions and the EdGE (Education through Global Engagement) course that CGE Club will be offering this quarter. Join us Mondays 6:00-7:00 pm in building 38 room 226!

Project Meetings are every Monday from 7:00-9:00 pm for all 5 project teams. Feel free to try out different project teams and be sure to introduce yourselves to the PMs if you’re new to EWB!

Here are the team room locations:

Fiji: 10-115
Local Projects: 02-203
Thailand: 38-226
Nicaragua: 13-110
Malawi: 38-225

IMPACT:
IMPACT, Engineers Without Borders’ volunteering team, works with nonprofits across SLO County to carry on the tradition of thinking globally and acting locally. IMPACT organizes volunteering events that unite EWB members and fellow Cal Poly students with local nonprofits dedicated to the community EWB Cal Poly knows and loves. This quarter we will be researching ways to improve our annual EWB IMPACT Weekend that is scheduled for the end of winter quarter.

Meetings are held Wednesdays 3:00-4:00 pm in the library fishbowl 216M. PLEASE COME THERE WILL BE SNACKS!

Tea Time: Tea Time will be from 11:00-12:00 pm on Friday behind Julien’s Cafe in the library. Come hang out with the President and Vice President to have any questions answered about the club.
