EMPLOYER RECOMMENDATION
ACADEMIC RECOMMENDATION
*To fill out interactive pdf, please save and open in Adobe Acrobat.

The Farm Bureau of San Diego County, through the generosity of San Diego County farmers, ranchers, and nursery operators has awarded scholarships to deserving students since the program's inception in 1999. A total of $338,175 has been awarded to 309 students in the past 19 years.

Each year the San Diego County Farm Bureau Scholarship Committee selects students who are enrolled or entering college as scholarship recipients. Students entering or attending a two-year or four-year college or university are eligible. Applicants must be pursuing a course of study in agriculture or a closely related field, and they must have a permanent residence in San Diego County. Membership in the Farm Bureau is not required. Past scholarship award amounts have ranged from $500 to $5000. Funds awarded in 2017 must be applied to the 2019-2020 academic year.

The primary criteria for an SDCFB scholarship include academic achievement, career goals and a commitment to study agriculture. Secondary criteria include extracurricular activities, financial need and written expression. Applications must include transcripts as well as recommendations from a teacher and a current or former employer or community service organization. Applicants must be permanent residents of San Diego County and entering or attending a two- or four-year college or university.

California Farm Bureau Federation
Scholarship amount: Ranges from $1,500 to $2,750
Application deadline:
Contact: Darlene Licciardo at (916) 561-5500

2019 EERE Robotics Summer Internships

The U.S. Department of Energy (DOE) Office of Energy Efficiency & Renewable Energy (EERE) Robotics Internship Program is a 10-week summer internship program for students majoring in a field related to robotics, manufacturing, or engineering. The program provides opportunities for high school seniors, undergraduate and graduate students and postgraduates to intern at federal national laboratories and private sector organizations throughout the United States. The EERE Robotics Internship Program is sponsored by the EERE Advanced Manufacturing Office (AMO).

Why should I apply?
• Hands-on experience in development of future robotics technical, engineering, and advanced manufacturing technologies
• Development of professional networks with leading scientists and subject matter experts
• Identification of career goals and opportunities
• Stipends: High school seniors and undergraduate students receive a $600 per week stipend; graduate students and postgraduates receive a $750 per week stipend
• Housing Allowance: $150 per week for interns whose home location is more than 50 miles from the hosting facility
• Inbound/Outbound Travel Reimbursement: Up to $1,000 to/from assigned location for interns whose home location is more than 50 miles from the hosting facility

Eligibility
• Be a U.S. citizen
• Be at least 18 years old by May 1, 2019.
• Be a high school senior, undergraduate or graduate student, or recent graduate of an accredited institution of higher education majoring in science, technology, engineering, or mathematics related to robotics and/or manufacturing.

Though not required, applicants with previous robotics competition experience are specifically encouraged to apply.

Application deadline: March 5, 2019 5:00 PM EST

For questions please email us at Robotics.Internship@orau.org.
