### **Job Announcement**

#### **Position: Restoration Specialist I**

Location: Oceano Dunes State Vehicular Recreation Area, CA

Primary Responsibilities:

Working closely with Restoration Coordinator on various duties and responsibilities:

- Restoration planning
- Seed collection and processing
- Plant propagation, installation and monitoring
- Restoration monitoring
- Survey data collection
- Other tasks as needed

There is moderate physical difficulty, as much of the work is in the field. Must be able to lift and/or carry loads (up to 50 lbs.) and occasionally over 50 lbs. The job will require walking, standing, bending, squatting, kneeling, handling/operating tools and equipment.

On occasion, will be in proximity of moving equipment. Must be able to drive motorized equipment.

Hours & Benefits: Full time with benefits.

Salary: \$18 to \$20/hr.

Minimum Requirements:

Graduation from a four-year college or university with a major in botany, horticulture, biology or natural resource science.

Current valid driver's license.

Knowledge of:

- Principles, methods and practices of native plant physiology, principles and practices of natural resource protection, restoration and enhancement.
- Planting, culturing and maintenance of plants, including plant soil interactions.
- Threats to health ecosystems and general methods to combat those threats.
- Appropriate methods of debris and non-native plant removal.

**Please send resume to [jcrabb@coastalrcd.org](mailto:jcrabb@coastalrcd.org) (Jackie Crabb) and include Resource Specialist in the subject line. Deadline for resumes is March 24, 2020.**
