Irrigation Systems Designer
$65,000 to $75,000 annually

Job Status: Non-exempt
Location: Chico, California
Reports To: Engineering Department Manager
Industry Segment: Agriculture/Landscape

Summary
Our client is Northern California’s leading provider of agricultural irrigation design, installation, pumping systems and services, with locations in Butte and Yolo Counties. The firm enjoys the reputation of caring for and retaining its clients and its employees, many of whom have over 20 years with the company. On behalf of our client, Allevity Recruiting & Staffing is in search of an irrigation designer/drafter to join the organization. If you are looking for a supportive environment with long-term career growth, have knowledge of irrigation and pump design, and experience with Irricad, Visio or other design software, we need to talk.

What you’ll do
- Work closely with sales team to develop design concepts, materials lists, labor requirements, and costs to complete projects
- Collaborate with colleagues to create solutions to design issues
- Contact vendors to source and provide costs for materials
- Work closely with Project Coordinators and Managers to coordinate operations and activities within departments, from design concept to installation

What You’ll Need To Be Successful
- Knowledge of irrigation system and pump design
- Proficiency with AutoCAD or other design software; experience with Irricad or Visio software experience is preferred
- Professional communications skills (verbal, written, digital) and ability to interact with internal staff, customers, and vendors
- Analytical and problem-solving skills
- A valid CA Driver’s License, clean DMV record and insurability
- Ability to pass drug test and physical exam
- MAS 90, 200 or comparable ERP system is preferred
- Bachelor’s degree or equivalent experience preferred

What Our Client Offers
- Starting Salary - up to $75,000 annually (commensurate with experience)
- Benefits package including Health insurance (medical and dental), Life Insurance, 401(k), Flex Spending Account, Paid vacation (2 weeks), holidays (8 days), paid sick leave (3 days)

About The Location
Chico is in northern California only three hours from the bay area, with an estimated population of 103,000 and home to California State University, Chico. It is known for its relaxed college culture, is surrounded by orchard crops and rice fields, and offers many outdoor recreational opportunities, including one of the largest municipal parks in the nation, Bidwell Park. Bidwell Park provides a wide array of hiking and mountain biking trails, picnic areas, swimming holes and is a city park like none other.
