WEEK 7 - MAY 10TH, 2016

Mooove over!
Summer is around the corner
PUP OF THE WEEK: CHRIS KANALEY

Meet Chris Kanaley! He is a third year BRAE student from Coarsegold, California. He loves working down in the shops with the legendary Virgil Threkel and helping out with the Robotics Club in his free time. You can find him taking long walks on the beach at sunset or casually working on his “summer bod” in the rec center. SLO is one of his favorite destinations because of the beautiful scenery and down to earth people. His summer plans include traveling to Orlando, Florida to compete in the ASABE Robotics Competition. Next year he will be taking the role as Vice President of the PAAC (Precision Agriculture & Automation Club)!

Give him a hoot & say hello!

Volunteer for building an engineer day
When: 5/14/2016
Building an Engineer Day is an event for 6th through 8th grade students to learn more about what it means to be an engineer! The day consists of 4 hands-on lab activities hosted by various engineering clubs on campus. This event provides the students with a great opportunity to experience different engineering disciplines. But this can’t happen without your help!

If you are interested in volunteering on the day of the event as a group leader or general help volunteer, sign up with this form: https://docs.google.com/forms/d/16ugFB6maS9N4sp8D7zpRn1NboMu-Xfjqir_qnrywNJy/viewform?usp=send_form

If you would like to be a part of the committee tasked with planning and organizing this event, sign up with this form: https://docs.google.com/spreadsheets/d/1MtAWRn0HS56HZxD3AC_H8QIi-FjH-2GFlnW1vOq7eRc/edit?usp=sharing
