J. G. BOSWELL COMPANY
California Operations
Human Resources Department
2015

Summer Internship

Process Engineer Intern

The J. G. Boswell Company is recruiting for an intern position in our Oil Mill processing plant in Corcoran, CA. The J. G. Boswell Company is an agricultural producer and processor in the San Joaquin Valley of Central California.

The positions require you to pursue a:

• B.S. degree in the Agricultural sciences or
• B.S. degree in Engineering with an emphasis in Process/Industrial Engineering or
• Electrical Engineering

A Process Engineer Intern will work on several engineering projects and will become knowledgeable about the efficient and safe functioning of all processes related to production of oil and other commodities. Position could lead to eventual full-time employment.

Job Locations: Corcoran, CA

Length of Internship: Early June through mid September, as school permits

Pay: $14.00 to $16.00 per hour (lower/upper division), plus housing if necessary.

J. G. Boswell Tomato Company

J. G. Boswell Company provides Equal Employment Opportunities (EEO) to all applicants.
STUDENT OPPORTUNITIES

Student Assistant Opening: Strategic Business Support Services

Looking for an opportunity to work in a fast pace, professional business office and gain excellent real world work experience? Please review the job description below and submit a resume today!

Description:
Work on-campus part-time in an engaging office environment supporting the Strategic Business Support Services (SBSS) which consists of the sub units of Contracts & Procurement, Risk Management, and Real Estate Services department. SBSS’s goal is to provide excellent customer service to the campus and off-campus communities. Our department provides services in purchasing goods and services, administering contracts for the University, and managing risk.

Duties:
Providing excellent customer service to departmental staff and faculty; answering and directing incoming phone calls and emails; creating and managing meeting calendars; clerical duties such as copying, faxing, scanning, filing; managing ingoing/outgoing mail; ordering office supplies; software data entry; website updates; working on various small and large scale projects.

Qualifications:
• Proficiency in Microsoft Word and Excel (Microsoft Access also preferred)
• Knowledge of general office practices and procedures
• Strong verbal and written communication skills
• Attention to detail
• Ability to prioritize and manage time well
• Professionalism and discretion while working with confidential information

Requirements:
• Candidates must be willing to work summer
  o Preference to candidates also available to work (10-20 hours) during school year

Experience: One or more years of office experience (preferred)
Salary: $10 / hour

How to Apply:
Please e-mail your resume, summer availability, and writing sample to purchasing@calpoly.edu.

Feel free to call (805) 756-2232 or e-mail purchasing@calpoly.edu with any questions.

Apply By: May 28th
Come join the HGM team as an Application Engineer!

H.G. Makelim Co., the leading Value Added Reseller and Distributor of diesel and gas powered engines, service parts, and prime power generators has an outstanding opportunity for a new college grad as an Application Engineer for our fast-growing Engine Division.

In this role you will be a key member of the Engine Division team responsible for the design and support of engine packages for the Company’s OEM customers. You will also be responsible for CARB and EPA compliance testing, conducting field evaluations of applications in use, and other sales support of engine applications.

Located in Modesto, CA, the position supports H.G. Makelim’s activities in 8 western states with the opportunity to travel throughout the West (about 25% travel).

If you are looking for an opportunity to learn and grow with the best and would like to work with the industry’s top customers and vendors, this could be just what you are looking for! For more information and to apply, please contact Bryce DaFonte at bdafonte@hgmakelim.com or call Bryce at (650) 827-7552.

H.G. Makelim Co. is an equal opportunity employer.
SCHOLARSHIP OPPORTUNITIES

CARPEY LAW SCHOLARSHIP OPPORTUNITY

$500 scholarship- to win, write a 1,000 to 1,500 word essay on the topic explained below. Due June 12th, 2015, please submit your essays to scarpey@carpeylaw.com

Essay topic:
Discuss the laws surrounding motorcycle helmets in your state of residence and some of the main arguments for and against motorcycle helmet use. Your essay does not need to be “persuasive,” you should aim to demonstrate an understanding of both sides of the issue and make compelling points to support each side.

BOOMTOWN INTERNET GROUP SCHOLARSHIP OPPORTUNITY

$500 scholarship. Submit 1,000-1,500 word essay on a topic regarding social networking and internet marketing:

- Is social networking good or bad for society and why?
- Mobility is becoming a critical marketing channel to reach out to customers. How do you see mobile email and apps changing customer service and sales?
- How does Internet marketing and electronic word-of-mouth (eWOM) influence business to consumer companies? Present ideas on how these companies can improve reviews and their online reputation, in addition to improving their products and services.
- As consumers of all ages become more comfortable using ecommerce, what expectations do you see consumers placing on ecommerce websites?

Application due June 12, 2015.

ABBOTT & FERNER SCHOLARSHIP

To apply for this scholarship you will need to write an essay on the topic below. The essay should be between 500 and 1000 words. Your submissions must be sent to us by email at: scholarships@abbottandfenner.com. Scholarships due June 15, 2015.

Describe your educational career and life goals. Explain your plan for achieving these goals. Include your degree/major, why you selected it, and how this degree/major will help you achieve your goals.
