Other Conditions (optional):

_____________________________________________________________________

_____________________________________________________________________

I have read and understand that I must complete the courses identified above as a part the conditions for consideration to be readmitted to my former major.

I understand that meeting the contract requirements allows me to be eligible to reapply to Cal Poly as a Former Student, however readmission for a given term is contingent upon registration cycles, budgetary considerations and any other unforeseen college or university considerations that could affect admission for former returning students. Admission for eligible students may be delayed beyond the term for which the student applied.
