Local Vaccine Access Expands to Ages 16 and Older

San Luis Obispo County community members ages 16 and older, including Cal Poly students within that age group, are now eligible to sign up for the county's COVID-19 vaccine registry at <https://www.recover slo.org/en/vaccine-registration.aspx> to make a first-dose appointment. All Cal Poly employees are also eligible for vaccines in SLO County, including employees who live outside the county. Those eligible can sign up for the county's vaccine registry at <https://www.recover slo.org/en/vaccine-registration.aspx> or through the County Phone Assistance Center at 805-543-2444 or 805-781-4280 (seven days a week, 8 a.m. to 5 p.m.). Several local pharmacies also offer COVID-19 vaccine appointments to certain age groups and employment sectors — always check with the pharmacy to determine its eligibility criteria. Review the frequently asked questions at <https://coronavirus.calpoly.edu/covid-19-vaccine> to help prepare for your appointment. SLO County Public Health advises everyone to plan to receive their second dose, if necessary, wherever they received their first dose. Second-dose appointments through a county-run vaccine clinic can be scheduled on the [recover slo.org](https://www.recover slo.org) website and should follow the timeline given to you at your first-dose appointment. Employees and students are highly encouraged to receive the vaccine when eligible but are not currently required to be vaccinated. Learn more about the vaccines and the vaccination process at <https://www.recover slo.org/en/vaccine-faqs.aspx> and <https://coronavirus.calpoly.edu/covid-19-vaccine>.
