### Share your Thoughts Starting May 28, Enter to Win an iPad Mini

We won't know unless you tell us, so Administration and Finance wants to hear from you. Starting May 28-June 19, all students, faculty and staff will have an opportunity to provide feedback on their experiences with all things A&F. The confidential survey will help determine which areas, including Human Resources, Facilities, Police Services, as well as every other unit and department within A&F, are performing well or may need improvement. The survey will be accessible through a personalized link that will be emailed to all students, faculty and staff on May 28. The email will come from AFD Customer Satisfaction Survey. The feedback and input from these universitywide surveys will help A&F create a better campus climate through improved services and new amenities. A&F is made up of eight units, each of which will have separate surveys. Participants are being asked to rate only the departments from which they have received services. Each time a participant completes a survey, their name will be added into a grand prize drawing for a chance to win an iPad Mini or one of nearly 75 gifts, including Starbucks gift cards, tickets to shows at the Performing Arts Center, gift baskets, free meals at 805 Kitchen, and a week's entry into the Cal Poly Recreation Center. Tell us and win.
