

Career Services Online Resources

Easy access through MustangJobs under the Career Resources tab!

Big Interview lets you practice your interview skills anytime through recorded mock interviews and expert coaching. Explore industry-specific question sets, receive feedback, and build confidence before the real thing.

Big Resume offers comprehensive feedback to help you strengthen your resume, while also optimizing it for compatibility with Applicant Tracking Systems (ATS). You'll receive targeted suggestions to align your resume with the specific role you're pursuing, increasing your chances of making it past initial screenings.

PathwayU is a career assessment platform that helps you discover majors and career paths aligned with your interests, values, personality, and purpose. Explore customized career matches and see how they connect to academic programs at Cal Poly.

GoinGlobalTM
Jobs here, there, everywhere.

GoinGlobal offers up-to-date career and internship resources for cities across the U.S. and around the world. Find international job listings, cultural tips, visa guidelines, and employer directories tailored for global job seekers.

CAL POLY CAREER CONNECTIONS

Career Connections is Cal Poly's exclusive online networking platform for Cal Poly students and alumni. Connect with alumni in your field and get real-world career advice from Mustangs who've been where you are.
