

WIRELESS NETWORK REQUEST FORM

Organization Name: _____

Contact Name: _____

Access to Cal Poly's information technology resources is a privilege granted to faculty, staff and students in support of their studies, instruction, duties as employees, official business with the University, and/or other University-sanctioned activities. Access may also be granted to individuals outside of Cal Poly for purposes consistent with the mission of the University.

As a non-Cal Poly employee, you are being granted temporary access to the Cal Poly Network, including Internet access, e-mail, calendaring, Remedy and/or other central information technology resources, for a limited time and a specific purpose at the request and approval of the sponsoring Cal Poly department.

Access is being provided to facilitate communication and coordination with the University in meeting specific goals and objectives. In exchange for receiving this access, Information Technology Services requires you to complete and return the form below. By signing, you are acknowledging that you have read and agree to abide by all applicable University policies and to accept the consequences of non-compliance. The policies are posted on the web at <http://www.calpoly.edu/computing/policy.html>

Once your signed form is received (by mail or fax), the ITS Service Desk will create accounts if necessary. You will receive your account login ID and password the day of the event. If you have any questions regarding this process, please e-mail servicedesk@calpoly.edu or call (805) 756-7000.

Completed forms should be faxed to Career Services **(805) 756-1593**

TO: Career Services, Cal Poly, San Luis Obispo, CA 93407
FAX: 805-756-1593

I understand that I am being granted access to the Cal Poly network for the intended purpose of participating in the Career Services' sponsored Job Fair. I understand and agree to abide by Cal Poly's Information Technology Resources Responsible Use Policy, Confidentiality-Security Agreement, and other applicable policies.
