

# MARCUS F. LEWEN

mflewen@calpoly.edu | 630-888-9090 | San Luis Obispo, CA | in/marc-p-lewen

## EDUCATION

**California Polytechnic State University - San Luis Obispo** June 2027  
Bachelor of Fine Arts - **Art & Design**, Concentration in **Studio Art**  
Minor - **Media, Arts, Society and Technology**

## ART & DESIGN EXPERIENCE

**Scenic Artist Intern, Broadway Sacramento**, Sacramento, CA 6/25 – 9/25

- Assisted in scenic painting, prop construction/design, set construction, and general scene shop management
- Created social media posts for upcoming performances using Adobe Photoshop and Illustrator

**Cal Poly Theatre & Dance**, San Luis Obispo, CA 1/24 – 9/25

- Painted and finished stage scenery, backdrops, and props to create realistic environments that match the production's design vision, often collaborating closely with the scenic designer and technical director
- Used techniques such as faux finishes, texture creation, aging/distressing, and large-scale mural work to transform raw set pieces into visually compelling theatrical spaces

## ART PROJECT EXPERIENCE

**California Floral Design Showcase**, Cal Poly 5/25 - 6/26

- Designed and exhibited a series of original graphic design posters featuring California native floral species, combining research, illustration, and typography to highlight regional ecology and visual storytelling

## ADDITIONAL WORK EXPERIENCE

**Classroom Assistant**, Orfalea Family and ASI Children's Center, San Luis Obispo, CA 9/25 - 12/25

- Supported lead teachers in facilitating daily classroom activities, supervising children, and maintaining a safe, engaging learning environment aligned with developmental goals
- Assisted with lesson preparation, guided small-group learning, and provided individualized support to promote social, emotional, and cognitive growth

**Lifeguard and Swim Instructor**, City of Davis, CA 6/24 - 9/24

- Monitored pool areas to ensure patron safety, enforced facility rules, and responded quickly to emergencies using First Aid, Adult CPR, Pediatric CPR, and certified lifeguarding techniques
- Provided swim instruction to children and adults, teaching water safety skills and stroke development while maintaining a positive and supportive learning environment
