There is no crime committed today that does not involve technology.

**Date:** Wednesday, May 9, 2018  
**Time:** 10 a.m. – 9 p.m.  
**Location:** California Cybersecurity Institute at Camp San Luis Obispo, California  
**Cost:** Free to Attend for Law Enforcement Professionals

The California Cybersecurity Institute (CCI) is committed to training law enforcement on the tools needed to fight modern crime. The Law Enforcement Technology Enhancement Day will allow your participants to hear from cybertraining experts as well as attend demonstrations. Attendees will also experience the CCI’s live, immersive training environment that is changing the way law enforcement is trained throughout the state.
