The requirements for a Thesis or Comp-Exam Committee are: 1) that the thesis or comp-exam advisor be a permanent full-time faculty member from the student's program; 2) that the thesis or comp-exam advisor and the student, recommend for approval by the graduate coordinator and/or department head, a committee comprising at least three members; 3) two of the members, one of whom will be the Committee Chair, are faculty from the student's program.

If your committee membership does not comply with these requirements, please explain:

Approval:

Graduate Coordinator: _____
