Civil Intern

Are you ready to take on a new challenge and elevate your career to the next level? The offices of Michael K. Nunley & Associates, Inc. (MKN) is seeking a highly motivated Assistant Engineer who is excited to become part of a growing, highly respected water resources engineering and planning firm. We are a rapidly growing, team-oriented and highly motivated group with offices in Arroyo Grande, Bakersfield, Fresno, Ventura, and Irvine. MKN believes in the important balance between work and personal life and strongly supports our staff in achieving this goal. Currently, we will be looking to hire a Civil Intern in our Ventura, Irvine and Bakersfield offices in the late Spring or Summer of 2021.

**Duties:**
Duties will include but are not limited to creating field observations and reports; managing quality assurance including testing, reporting and outcomes; modeling of water and wastewater systems; assisting in the design of water and wastewater infrastructure; research; coordinating with clients, subconsultants, vendors and staff; assisting with preparing proposals and reports.

**Expectations:**
3-month minimum commitment with opportunity to extend. Candidates must have weekday/daytime availability of 12-24 hours per week.

**Requirements & Experience:**
Position requires students to be in their Junior or Senior year at Cal Poly and seeking a BS or MS in Civil or Environmental Engineering. Experience and interest in Water, Wastewater, Water Recycling and Reuse is a plus.

**Compensation & Benefits:**
$20 per hour. The firm offers flexible scheduling and most importantly an opportunity for mentorship by a senior engineering team with water/wastewater/recycled water infrastructure experience on major regional projects throughout the western US.
