Our story starts with people. We find outstanding professionals and give them the freedom and support to do what they do best. The result is outstanding work in infrastructure design and a commitment to sustainability and community.

The goal of the David Evans and Associates, Inc. scholarship is to assist the recipient in pursuing a bachelor’s degree in one of the majors listed below in the Scholarship Program Overview.

David Evans and Associates, Inc. (DEA) is pleased to offer up to five recipients merit-based scholarships of $3,000 to women and/or members of historically underrepresented segments of the US population for the 2021-2022 academic year.

Students majoring and demonstrating exceptional promise in Civil Engineering (transportation, structural, land development, or environmental), Electrical Engineering, Surveying/Geomatics, Marine/Hydrographic Science, Landscape Architecture, Construction Engineering, Planning or Natural Resources/Environmental Science.

All applicants will be notified of the selection committee’s final decisions by Aug 1, 2021. Contact the scholarship administrator Renata Whited with questions at scholarshipapp@deainc.com.
