Religious/Personal Belief Exemption to Immunizations Policy

Beginning Fall 2023, California Polytechnic State University new enrollees ages 18 and younger are required to provide proof of Hepatitis immunization per Executive Order 803. Additional immunization requirements (MMR, Meningococcal B, Meningococcal conjugate, Tdap, and Varicella) are required for students living in campus housing, participating in intercollegiate athletics, and/or traveling internationally. Details about immunization requirements can be reviewed at https://chw.calpoly.edu/health/immunizations.

California Polytechnic State University allows for religious and personal belief exemptions to immunization requirements. Religious and personal exemption request requires form completion and signature by the student (and guardian if the student is a minor). If the information provided is incomplete or ambiguous, the exemption request may be denied.
