

Other Helpful Thought Tips

1. **Stopping.** Interrupt a thought as it begins. Use a strong image or a word to interrupt the thought. Strongly state it, either internally or aloud.

2. **Distracting.** Redirect your mind to something else internally or externally, preferably something pleasant and engaging.

3. **Mindful Observing.** Watch, label, or log your thoughts. Use the language “I am thinking ...” or “My mind is having the thought that...” to distance yourself from the thought.

4. **Understanding.** Begin to understand where thoughts come from by asking a number of questions, including: What is the purpose of this thought? Does it tie to a specific schema?

5. **Mindfully Letting Go.** Use imagery or words to visualize thoughts passing by. Good examples are clouds in the sky or leaves on a stream.

6. **Gratitude.** Try to focus on something that you are grateful for from the past, present, or future.
