CHANCELLOR'S MESSAGE

Mildred García

Chancellor, The California State University

Dear Class of 2025:

As we celebrate your accomplishments today, I hope you'll take a moment to consider how much you've changed since you first set foot on campus. In your time at the California State University, you have transformed yourself from someone with big dreams on a quest for knowledge into a person empowered to make limitless contributions to our world.

This transformation was inspired, supported and admired by your family, friends, colleagues and loved ones, who have cheered you on through your academic journey. It was spurred by your faculty, who have helped you develop a critical eye and a creative mind. And it was reinforced by the work of your counselors, advisors, librarians, tutors and coaches, who fostered an encouraging environment for you to persist, thrive and succeed.

You have filled all of us with pride.

You are now part of a vibrant network of well over 4 million CSU alumni who are powering California, the nation and the world. Together, you will solve our greatest challenges, educate the next generation, fight for democracy and a more just society, and enrich our workforce and communities with your talents.

As you continue on your exciting path forward, please stay connected to your alma mater and to the CSU. I hope you will use your connections — both to your campus and to other CSU alumni — to open new doors of possibility and to make a meaningful impact in your chosen field. I also encourage you to reach back often to support those who aspire to follow in your footsteps.

Today's event is called "commencement" for a reason. It is not an end, but rather the beginning of your next great pursuit. May your hard work and sacrifices lead to happiness, prosperity and deep fulfillment, both in your life and in the lives of those around you.

Congratulations, California State University Class of 2025. We can't wait to see all that you will accomplish.

Sincerely,

Mildred García, Ed.D.
Chancellor

PRESIDENT'S MESSAGE

Jeffrey D. Armstrong

President

Congratulations, graduates — you did it! By earning your Cal Poly degree, you have demonstrated perseverance, shown your academic excellence and proved that you are, and always will be, Mustangs. The university and your families and supporters are tremendously proud of you — I hope that you are equally proud of yourselves.

Our goal has been to make you Ready Day One for the careers that you will pursue. Well, tomorrow is Day One, and you are ready. Cal Poly's Learn by Doing approach has helped prepare you for work, family life and citizenship. Most importantly, it has prepared you to keep learning throughout your whole lifetime. I hope that you will consider paying that benefit forward by mentoring the next generation of Mustangs.

Finally, thank you for your time at Cal Poly. You have left the university a better place through your academic and your social contributions. We wish you the best for the future, and invite you to come visit when you can.

With love, empathy and respect for all,

A handwritten signature in black ink that reads "Jeffrey D. Armstrong". The script is fluid and cursive.

ALL HAIL GREEN AND GOLD

*All hail, green and gold,
May your praises e'er be told
Of friendship and of courage
And stalwart ones of old!
All hail, green and gold,
In your name we shall prevail,
So to California Polytechnic,
Hail! Hail! Hail!*

– Harold P. Davidson

History

Cal Poly was created by the California Legislature in 1901 at the behest of San Luis Obispo's civic leaders and admitted its first class of 20 men and women in the fall of 1903. The founders conceived of Cal Poly as a place "for the practical application of the arts and sciences," a school that would "teach the hand as well as the head." The university's distinctive Learn by Doing approach was a natural outgrowth of the founders' vision and has become the enduring cornerstone of a Cal Poly education.

The Ceremonial Mace

The tradition of the academic mace dates from the Middle Ages when two ancient instruments, the royal scepter and the battle mace, were combined to form a symbol of the authority of the rector of a university. The mace is carried at the head of the procession at commencement and in ceremonies where honors or degrees are awarded.

The ceremonial mace was designed and created by Professor Emeritus Crissa Hewitt as part of the Cal Poly Centennial Celebration. Through her distinctive craftsmanship using metals, wood and stone, Hewitt has created a beautiful and enduring symbol of the university's proud heritage and promising future.

ALUMNI MESSAGE

Welcome, Class of 2025!

Congratulations — you did it! You’re now one of more than 230,000 Cal Poly Proud alumni making an impact in their communities, in California and across the world.

As you start your next adventure as a Cal Poly graduate, know that a network is available to support you. Whether you’re looking for a job connection, a community in a new city, or the best events and activities, Cal Poly alumni are everywhere — and ready to connect with you!

Graduating isn’t the end of your Cal Poly journey; it’s just the beginning. We can’t wait to see what your future holds, and we hope you come back to visit soon and often to experience the best that Cal Poly and San Luis Obispo offer — minus the studying!

Welcome to the Cal Poly Alumni Association!

HONORARY DEGREE RECIPIENT

John Couch

Honorary Doctor of Humane Letters

Education innovator, bestselling author and technology pioneer

Degree to be conferred on June 14 during the Orfalea College of Business College ceremony.

John Couch holds a bachelor's degree in computer science and a master's degree in electrical engineering and computer science from the University of California, Berkeley, where he was named a distinguished alumnus in 2000. He has received honorary degrees from Philadelphia University and Full Sail University. A former instructor at the University of California, Berkeley, and San José State University, he co-authored "Compiler Construction: Theory and Practice," "Rewiring Education" and "My Life at Apple and the Steve I Knew."

Couch began his career at Hewlett-Packard in 1972 before joining Apple in 1978 as its 54th employee. He served as Apple's first VP of software and later led the Lisa division, developing Apple's first GUI computer. In 1985, he shifted to education, transforming Santa Fe Christian Schools through innovative technology use.

Before returning to Apple in 2002, Couch was CEO of genomics company DoubleTwist and an executive in residence at Mayfield Fund. At Steve Jobs' request, he rejoined Apple as its first vice president of education, growing its education business to \$10 billion and launching iTunes U.

Couch has written and produced music and films including "Sound of Freedom." He now manages Couch Family Wines, enjoys time with his 17 grandchildren and supports Cal Poly programs.

HONORARY DEGREE RECIPIENT

Victor J. Glover, Jr.

Honorary Doctor of Science

NASA astronaut, decorated test pilot, STEM advocate and proud Cal Poly alumnus

Degree to be conferred on June 15 during the College of Engineering ceremony.

Victor J. Glover, Jr., a California native and Cal Poly graduate, was selected as a NASA astronaut in 2013 while serving as a legislative fellow in the U.S. Senate. A veteran naval aviator and test pilot, Glover has flown more than 3,500 hours in over 40 aircraft, completed 400 carrier landings and served in both combat and peacetime deployments. He earned multiple advanced degrees in engineering and military operations and was designated a test pilot in 2007.

Glover piloted the historic SpaceX Crew-1 mission aboard Resilience in 2020, becoming the first Black astronaut to live on the International Space Station for an extended mission. He completed 168 days in space, four spacewalks and supported critical scientific and outreach activities. He later served in several NASA leadership roles, including crew representative for the human landing systems program.

In 2023, Glover was named pilot of NASA's Artemis II mission, the first crewed flight around the moon in over 50 years. His awards include the NASA Distinguished Service Medal, Defense Superior Service Medal and Cal Poly's Service to the Community Award. Glover is active in numerous professional and service organizations and enjoys life with his wife Dionna and their four children.

WE ARE FOCUSED ON EXCELLENCE

Learn by Doing is the foundation of our engaged pursuit of knowledge and scholarly achievement.

WE EMBRACE ONE ANOTHER

Mustangs strive to create an atmosphere of mutual respect, celebrating the positive differences that make us unique.

WE ARE ONE COMMUNITY

Personal commitment and participation in the Cal Poly community is the cornerstone of the Mustang experience.

WE ACCEPT RESPONSIBILITY

Mustangs support one another while also taking pride in accepting personal responsibility, thus strengthening the Cal Poly family.

WE LEAD BY EXAMPLE

Mustangs face all actions and decisions with perseverance, honor and character.

As Mustangs, we are united under these principles, honoring those who came before us and inspiring the Mustangs who follow. The privilege of being a Cal Poly Mustang is celebrated for a lifetime.

#mustangsUNITED, Love, Empathy and Respect is a message from faculty and staff to students that we are an inclusive community.

#mustangsUNITED, Love, Empathy and Respect is our campus motto for inclusion.

Love, Empathy and Respect is our campus ethos for moral success.

We value and respect people from all backgrounds, religions, ethnicity, gender identity, sexual orientation, etc.

Even if we disagree sometimes, we should always have Love, Empathy and Respect for one another.

Hate speech is immoral and is the antithesis of our universal values of Love, Empathy and Respect.

We may disagree sometimes on issues, but we are always one community, and we treat each other with human decency and dignity.

#mustangsUNITED, Love, Empathy and Respect.

This is the Mustang Way!

ACKNOWLEDGMENTS

Commencement Campus Partners

We are grateful for the collaborative support from partners across campus and especially for the dedication of our Commencement Campus Partners, who help guide and execute our commencement programs each year, including the Office of the President, Office of the Provost, Office of the Vice President of Student Affairs, Division of Administration and Finance, Mustang Media Group, Academic Affairs, Cal Poly Police Department, Transportation and Parking Services, Performing Arts Center, Conference and Events Planning, Music Department, University Catering, Campus Health and Wellbeing, Mustang Shop, University Communications and Marketing, University Development and Alumni Engagement, Disability Resource Center, Poly Plant Shop, Office of the Dean of Students, Office of University Diversity and Inclusion, Office of Administration and Finance and Associated Students, Inc.

Commencement Marshals

We thank all dedicated faculty members who volunteer their time to serve as college marshals at each ceremony, with special recognition for those who serve as grand marshals, including Amy Lammert, Camille O'Bryant, Jim Prince, Liz Thompson and Michael Whitt.

Land Acknowledgment

Cal Poly sits on the traditional lands of the yak titʻu titʻu yak tilhini Northern Chumash Tribe of San Luis Obispo County and Region. The yak titʻu titʻu yak tilhini have a documented presence in this area for over 10,000 years. The tilhini peoples have stewarded their ancestral and unceded homelands which include all of the cities, communities, federal and state open spaces within the San Luis Obispo County region. These homelands extend East into the Carrizo Plains toward Kern County, South to the Santa Maria River, North to Ragged Point, and West beyond the ocean's shoreline in an unbroken chain of lineage, kinship and culture.
