High School Contention That the United States is Unjust in Excluding Chinese is not Upheld.

The Polytechnic School won their debate with the San Luis Obispo High last night, the winning sentiment being that the United States is not unjust in excluding the Chinese from the federal government. The speeches of the six contestants were interesting and well rendered.

The debate was held in the Polytechnic assembly room before a good audience and Judge Unaugst, Judge Venable and Rev. Hillard, were Judges.

The meeting was opened by an address by Director Anderson followed by a piano solo by Miss Loobliner.

Miss Helen Darke of the High school affirmative opened the discussion and was followed in order by Floyd Tout, Cathryn Stewart, George Conrod, Herman Mehlmann and Chas Emmert. Miss Darke summing up the affirmative to close.

While the Judges were deliberating Miss Morrison played a violin solo. This is the first of a series of three annual debates for a loving cup offered by the High School Alumni.
