

**Curriculum Vitae
Paul A. Weber, Ph.D.**

Address 150 Chorro Street
San Luis Obispo, CA 93405

Education

Ph.D. (2000) Colorado State University, Fort Collins
Education and Human Resource Studies
Specialization: Technology of Industry (Construction Mgt. Option)
Dissertation: Requisite skill differences of baccalaureate graduates
among three building disciplines

M.B.A. (1992) California Polytechnic State University, San Luis Obispo
Masters of Science Business Administration

B. of Arch. (1983) California Polytechnic State University, San Luis Obispo
Bachelors of Architecture
Graduated with Honors

B.S. (1981) California Polytechnic State University, San Luis Obispo
Construction Engineering

 Transferred to Cal Poly Sept. 1975, left in 1977, returned in 1980

A. S. (1975) Modesto Junior College
June 11, 1975
Associates in Science Architecture

Certification or Licensing

October 16, 1984 California Architectural Registration
C-15193 (Active)

March 24, 1983 California Contractor's License, "Weber Construction"
General Building Contractor B-1
437672 (in-active)

May 23, 1987 to May 1, 1989
Previous CCL:, "Dimensions, Inc.", B-1, 535084
Title: President, Responsible Managing Officer
Shareholder (50%)

January 17, 1984 to May 23, 1987
Previous CCL:, "Dimensions", B-1, 455435
Title: Responsible Managing Employee
Owner (50%)

Memberships in Professional Associations

May 19, 1988 to present
International Code Council (ICC) #58606
Formerly called:
ICBO (International Conference of Building Officials) #58606-0

1988 to 1994 Board Member: City of Ceres,
Building Department
Board of Appeals

April 23, 1985 - ? American Institute of Architects

Sept. 29, 1983 Associate Member American Institute of Architects

1986 -1987 Board Member:
Sierra Valley Chapter of The American Institute of Architects

Academic Experience

California Polytechnic State University, San Luis Obispo

Sept. 1999 to Present

Associate Professor
California Polytechnic State University, San Luis Obispo

Responsibilities: Developed and maintain varying course materials. Varying CAED and University Committee assignments, Varying CM Department committee and CM Department service assignments, academic advising, CM student club advising, CM student competition advising. Taught the following courses:

CM 115 Fundamentals of Construction Management (6)
CM 102 Fundamentals of Construction Management (2)
CM 424 Construction Technology. (Marine Topic) (2)

Prior to 2008 (before the "integrated curriculum")

CM 211 Drawings and Specifications (4)
CM 212 Fundamentals of Construction Management (3)
CM 341 Residential Construction Practices (3)
CM 331 Construction Accounting (3)
CM 333 Construction Contracts and Law (3)
CM 342 Commercial, Institutional and Industrial Construction Practices (3)
CM 325 Construction Management Practice (3)

Academic Experience**Colorado State University, Fort Collins**

1998 to 1999

Lecturer, Department of Manufacturing Technology and Construction Management, Colorado State University, Fort Collins, Colorado

1996 to 1998

Graduate Teaching Assistant, Department of Manufacturing Technology and Construction Management, Colorado State University, Fort Collins, Colorado

Responsibilities: Lecturing, lab assistant, grading, CM student competition co-advising.

Instructor:

MC 232, Architecture and Construction Planning (4)

MC 131, Architecture and Construction Planning (3)

MC 562, Trends in Project Development
(12 graduate students)

MC 160, Materials and Methods of Construction Laboratory

Grader for:

MC 363: Contracts (Text: Clough, R.H.)

MC 151: Introduction to Manufacturing and Construction
(Methods and Materials of Construction)

Professional Experience

October 16, 1984 to present

California Architectural Registration
C-15193 (Active)

April 16, 1983 to present

California Contractor's License, "Weber Construction"
General Building Contractor B-1
Inactive during the time I was Owner or President of Dimension
Construction
437672 (presently in-active)

Jan. 1994 to June 1996

Gary Francis and Associates (Design-Build firm)
Park City, Utah

Responsibilities: Primarily developed contract documents (plans, specifications, energy compliance, for high-end cabins in Deer Valley, 3000 to 17,000 SF, through engineering, plan check, and construction. Occasional QTO, estimating, scheduling, job site visits, client meetings, consultant meetings, subcontractor and vendor meetings.

May 1989 to Dec. 1995

Weber Construction and Paul A. Weber, Architect
Ceres, CA

Primarily designed and built residential custom homes and spec homes, remodels and additions. Developed contract documents (plans, specifications, C.E.C. energy compliance, structural calculations). Contracted, estimated, scheduled, managed varying projects.

January 17, 1984 to May 1, 1989

Designed and built over 180 homes in Modesto and Stanislaus County. Primarily Spec homes from 1800 SF to 4300 SF

May 23, 1987 to May 1, 1989

Previous CCL: "Dimensions, Inc.", B-1, 535084
Title: President, Responsible Managing Officer
Shareholder (50%)

January 17, 1984 to May 23, 1987

Previous CCL: "Dimensions," B-1, 455435
Title: Responsible Managing Employee
Owner (50%)

June 17, 1983 to January 1, 1984

Intern, Pacific Design Associates A.I.A, Modesto, CA
(Duane Stone, Don Phillips, John Doxey)
Supervisor: Don Phillips Phone: (209) 577-2288
Reason for leaving: Opened my own architecture practice and
construction firm.

Approximately March 1977 to June 1983

Owner: Dimensions (Design, Drafting, Interiors)
Formed the company after leaving Cal Poly for financial reasons. I chose
to start a company as opposed to work for an Architect.

Completed my B.S. In Construction Engineering (June, 1981) and B. of
Arch. (June 1983) while designing homes for clients in Modesto, CA

The following is a bit vague:

1977-1980

Martin and Marcetti Construction: Designer, Estimator, Field Inspector

Summer of 1976 ?

Draftsperson, Duane Stone A.I.A, Modesto, CA

Summer 1975 ?

Bill Rose Construction: Designer, Turlock, CA
Residential, Commercial, Agricultural Buildings

Technical Editor

Construction Management Jump Start, 2nd Edition
By: Dr. Barbara Jackson
December 2009 through February 2010
Wiley Publishing Inc., 2010

Construction Management Jump Start, 1st Edition
By: Dr. Barbara Jackson
February 2004 through July 2004
SYBEX Inc., 2004

CM 115 Course Packet (1000+ pages) updated often as I can as new versions of software (AutoCAD, Revit, Bluebeam Revu) occur every year and the California Building Codes are updated in a 3-year cycle. Shared with other faculty.

Honors and Awards

AGC California
Construction Education Foundation
Construction Education Friend Award (2017)

CAEDF Wes Ward Teaching Award.
The stipend was used to attend Autodesk University the week of September 16, 2010.

ASC Outstanding Educator Award, Region VII, Gainesville, FL (2009)

Elected by CM Student to sit on CM Fee Advisory Committee
2002-2003 School Year and beyond

The CBF funds were taken away from the CM students by Cal Poly around 2011 as there were no CBF Meetings after the 2010-2011 AY

Presentations

February 2023

Presentation with Andrew Kline

Title: Utilizing Autodesk BIM360 for course materials

2023 ASC Regional Meeting

Reno, NV

February 8-11, 2023

I was asked to be the Conference Program Chair and Plenary Speaker for the 9th International Conference on Construction and Project Management (ICCPM 2018) October 24-26, Macau (Special Administrative Region of the People's Republic of China). I had to decline since Cal Poly kicked me off campus (4 PM Tuesday, February, 13 2018 for over a year (1 year, 1 month, 1 day). I was back on campus 3 PM, Friday March 15, 2019.

Delivering Public Private Infrastructure Projects using Integrated Project Delivery and Trending Technology

2017 8th International Conference on Construction and Project Management (ICCPM 2017), August 17 -19, 2017, Sapporo, Japan.

Denver University

Presentation of AutoCAD and Revit to Denver University Students

January 24-24, 2014

Lecture to an introductory architecture class at Modesto Junior College

Invited by the instructor, Dennis Thorpe. thorped@yosemite.edu

October 9, 2010

Lecture to an introductory architecture class at Modesto Junior College

Invited by the instructor, Dennis Thorpe. thorped@yosemite.edu

I was invited to be the conference program chair and plenary speaker for the ICCPM 2018 conference held in Macau, October 24-26, 2018. I had to decline as I was kicked off campus Tuesday, February 13, 2018 to Friday, March 15, 2019. Lonny Simonian attended.

On 12/20/2017 7:42 PM, Sharon wrote:

Dear Paul,

How are you?

Our conference ICCPM 2018 has been confirmed to be held in Macau during October 24-26, 2018. We are sincerely inviting you to be the conference program chair and plenary speaker. May I know if that time is available for you?

If you have any queries, please contact with me.

Best Wishes

5-hour California Disabled Access Course
By: California Architect C. E. (Continuing Education)
<http://www.californiaarchitectce.com/>
December 31, 2021

Note: Monday, March 9, 2020, Week 10 of Winter Quarter, the CM 115 final was canceled due to the Wuhan Flu. Spring quarter started 1 week later to prepared for virtual teaching (a 9 week quarter that Spring of 2020).

Met with Dace Campbell and Andrew Kline at the Kennedy Library 11:30, May 14, 2019 to prepare for the implementation of Autodesk BIM 360. I then walked Dace to Building 5 to introduce Dace to Thomas Fowler. I use BIM 360 to share my CM 102 and CM 115 files (pdf, PowerPoints, videos, etc.) with professors at Cal Poly and those at other campuses.

Presentation with Andrew Kline

Title: Utilizing Autodesk BIM360 for course materials

2023 ASC Regional Meeting

Reno, NV

February 8-11, 2023

January 2022.

At his request, I dropped off a 3-1/2" binder of CM 115 Packets 1-5 and the answer keys to Barry Jones for his use during his planned Fulbright Scholarship in Ho Chi Minh City University of Technology and Education this year (pandemic permitting).

<https://hcmute.edu.vn/>

Friday, January 8, 2021. Met with Doug Lowe to transfer my CM 102 materials to him so he can teach the class. I helped him out many times after that as he needed tech help that is increasingly sparse on campus.

I purposely chose to teach CM 115 in person the Fall of 2020 and the Winter and Spring of 2021 as it is more effective. Quite a number of students could not show up to class so I had to drop off and pick up exams on and off campus. I had to print homework, grade it, scan it and email it back. The hours were long.

Spring Quarter was taught, 9 weeks, virtually.

March 9, 2020 The Wuhan Flu ended Winter Quarter Week 10 in-person classes

Met Bill Epstien (Build Group / Pacific Structures), August 28-29, 2019 to discuss Build Group University. He wanted to use my CM 115 material (Bill came up with the idea for the CM 212 in the early 2000's) for his class. He teaches graduates from ITAM (Mexico's MIT, Instituto Tecnológico Autónomo de México). An office and job site visit in SF. I gave him a flash drive of the CM 115 pdfs.

Met Saturday, June 10, 2017 with Brianna Halfhide at Lendlease downtown LA to discuss Bluebeam, the PDF Coalition, and visit their office for the \$1B Oceanwide high-rise.

Met Saturday, March 4, 2017 with Steve Hicks, San Luis Obispo County Building Inspector to review code material for the CM 115 Course Packet.

September 20, 2016 (Cambria Pines Lodge) CM Faculty Fall Retreat. Invited Ernest King (Morley Builders) to present Bluebeam software to the faculty. Which led to Ernest presenting Bluebeam software to various CM classes for two days the week of Monday

October 10, 2016. Thank you dinner for Ernest King (Morley Builders) and Emily Hepperd (Bluebeam), Brianna Halfhide held Monday night.

Met Saturday, September 1, 2016 with Central Coast ICC Chapter monthly meeting to discuss new codes.

Met Saturday, August 22, 2016 with Steve Hicks, San Luis Obispo County Building Inspector to discuss a proposal to create a CM 420 Codes Class.

Met Saturday, May 20, 2016 with Steve Hicks, San Luis Obispo County Building Inspector to discuss a proposal to create a CM 420 Codes Class.

Met Saturday, March 26, 2016 with Steve Hicks, San Luis Obispo County Building Inspector to discuss a proposal to create a CM 420 Codes Class.

Met Saturday, March 12, 2016 with Steve Hicks, San Luis Obispo County Building Inspector to discuss a proposal to create a CM 420 Codes Class.

Met Saturday, December 19, 2015 with Steve Hicks, San Luis Obispo County Building Inspector to review code material for the CM 115 Course Packet.

Met Saturday, December 12, 2015 with Steve Hicks, San Luis Obispo County Building Inspector to review code material for the CM 115 Course Packet.

Met Saturday, August 29, 2015 with Steve Hicks, San Luis Obispo County Building Inspector to review code material for the CM 115 Course Packet.

Met Saturday, August 8, 2015 with Steve Hicks, San Luis Obispo County Building Inspector to review code material for the CM 115 Course Packet.
