THE COLLEGE OF ARCHITECTURE AND ENVIRONMENTAL DESIGN
AND CONSTRUCTION MANAGEMENT DEPARTMENT
INVITE YOU TO THE DEDICATION OF THE
CONSTRUCTION INNOVATIONS CENTER

ALUMNI WEEKEND
OCTOBER 4-5, 2008

CAL POLY
SAN LUIS OBISPO • CALIFORNIA
Dear Alumni and Friends,

After more than 10 years of planning and design and over two years of construction, we hope all of you will join us for one of the biggest celebrations in the history of the Construction Management Department. This summer, the department’s faculty, staff and students are moving into our new facility – the Construction Innovations Center. This important milestone will be celebrated on October 4 in a special Dedication and Open House for this new structure.

Even before the dust settles on this building dedicated to contemporary education in Construction Management, we will start this fall on construction of the next phase of this project, the Simpson Strong-Tie Materials Demonstration Lab. The commencement of this project also will be celebrated on October 4 with a special Groundbreaking event immediately following the Dedication. The lab will complete this unique complex of buildings programmed from the beginning to provide over 35,000 square feet of new space for our department.

This Dedication and Groundbreaking will be the centerpiece of a weekend full of activities designed for you to meet former classmates and other CM colleagues from the construction industry throughout the Western United States. Join us for an Alumni and Friends Luncheon, tours of the new building conducted by current students, an exciting Cal Poly football game under the lights against South Dakota, and a student-run Golf Tournament. It will be a great time of year to visit the Central Coast and reconnect with the CM Department and the College of Architecture and Environmental Design. We can’t wait to see you and your family here.

In this invitation you’ll find a schedule of exciting events, information regarding lodging, and a registration form. To join us for this wonderful weekend, please complete the enclosed reservation form and return it to the Construction Management Department by September 15. Please note that group discount hotel reservations are due September 12 and should be made directly with the hotel.

Allan J. Hauck, CPC, Department Head

ALUMNI LUNCHEON
The alumni weekend begins with a luncheon at the Performing Arts Center Pavilion. Catch up with old friends at a delicious buffet lunch from noon - 2 p.m. Please stop by the registration table outside of the PAC Pavilion between 11 a.m. and noon to pick up your commemorative gift and name tag.

DEDICATION CEREMONY AND SIMPSON STRONG-TIE MATERIALS DEMONSTRATION LAB GROUNDBREAKING
At 2:30 p.m. in the Construction Innovations Center Founder’s Plaza, the CM Department will welcome Cal Poly President Warren J. Baker, Provost and Vice President of Academic Affairs William Durgin, Dean R. Thomas Jones of the College of Architecture and Environmental Design, and other guests for a Dedication Ceremony. Following the ceremony, we will take a short walk to the Simpson Strong-Tie Building site for a Groundbreaking Ceremony.

CM DEPARTMENT OPEN HOUSE
Following the ceremonies, we will offer tours of the new Construction Innovations Center. Refreshments will be offered in the new building’s courtyard.

FOOTBALL GAME
CM has reserved a group of seats at the October 4 football game between Cal Poly and South Dakota. End an enjoyable day rooting for the Mustangs!

ASCM GOLF TOURNAMENT
Situated inside Morro Bay State Park and Estuary, Morro Bay Golf Course, located just off of Highway 1, offers ocean views and tree-lined fairways. This is a magnificent setting for our hosts, the Associated Students of Construction Management (ASCM), and alumni and friends to enjoy a day of golf. Registration begins at 7 a.m. on Sunday, October 5. Following 18 holes, there will be a barbecue and an awards ceremony.

MORRO BAY HARBOR FESTIVAL
Now in its 27th year, this event along Morro Bay’s Embarcadero features live entertainment on several different stages, wine tastings, art and craft vendors, a beer garden, and food from many local restaurants. For more information, please visit http://www.mbhf.com.
