15	15	17	14	14.5	15	15	14.5	120.0	Semester Units
----	----	----	----	------	----	----	------	-------	----------------

CORE	20
MSCI Elective	15
Approved Electives	12
Major Total	47

Support	35.5
GE	33
Free elective	4.5

6 units of approved electives must be upper-division

Students who are not calculus-ready will be block-registered into MATH 1005 or MATH 1007 in semester 1 yr 1 instead of STAT 1100; they will take STAT in a future term, preferably during year 2.

Note: This flowchart shows excess MSCI elective units. 14 units of MSCI electives and 13 units of approved electives are required. Excess MSCI elective units can count as approved electives.
