Hello Clubs and Organizations!

We are contacting you on behalf of the CultureFest planning committee to invite you to be a part of CultureFest 2017! CultureFest will take place Saturday, October 14th • Fall Quarter 2017 in the UU Plaza. This year’s theme is Happy Rebirthday, Culturefest! The focus of this theme serves to connect to the sudden negative changes that have occurred in our society and how they have allowed for a social "rebirth". We want to move away from anachronistic ways of thinking, and establish new ways of networking, building relationships, and supporting each other!

What is CultureFest?
If you are not familiar with CultureFest, it is a one-day event where the different cultural clubs and organizations on campus come together to celebrate culture with food, music, and performances. The goal of the event is to celebrate cultural diversity on campus and showcase the importance of diversity and culture to the rest of the local community.

We are in the process of planning for CultureFest and would like you to be as informed as possible! As always, each club will have a booth and will be able to sell food. Clubs can also perform at the event if they would like to.
