Club Sports Council Meeting
Agenda
Date: November 15, 2016

Announcements/Updates
Annie
- Slack – People are getting on, only about 4 presidents not on it. Should be successful.

Brandon
- Shirts design request – Sent in to Kim Shank, waiting to hear back. Contact J Carroll to see if they talked to Kim for approval and where are we in the process. Past: take number that each team ordered, how much that costs, then fill-in a PRF for the team and request them to sign it. Excel sheet with how many shirts each team ordered, Sam will fill-in the PRFs by the time we get back from break.
- Roster paper decision - $18 for 200 business cards, $30 for 300 tri-folds, one for all winter and spring, downside: schedules can change. Business cards look more professional, but require more work with designing and printing, and more costly overall. Designers of posters could design business cards. Business cards. Home games should be in, can create at least home game schedule.

Colin
- Google form for reporting Polython points – need to fix up

Sam
- Missed Meeting – Distance missed, pay for next meeting’s pizza
- Budgets/break down of dues – Need to be able to show at the end of the year where and how the money is being spent to justify needing more money
- Funding allocation – May or may not change it, budget/dues break down to show if it needs to change. Need to talk about how we can change this another time.
