## **APPLICATION QUESTIONS:**

1. *Tell us a little bit about yourself, your involvement on campus, and what identities and/or lived experiences inform your approach to advancing diversity, equity, and inclusion at Cal Poly?*
2. *Explain why you are interested in serving OUDI in this role and how it would further enhance your growth and development (personally, academically, and culturally).*
3. *Explain why you selected the specialty area/s you did and how your experiences will contribute to that specialization or work effort (include skills you will bring to this specialty area).*
4. *What is a particular area of strength you would like to highlight in your application and one area of growth in which you would need support within the role?*
