

<b>STRATEGIC GOALS</b>	<b>WAYS YOUR UNIT MIGHT CONTRIBUTE</b>				
<p>Better engage AANHPI students across the university including particularly marginalized ethnic groups that exist within the population with the goal of increasing sense of belonging and well-being.</p>					
<p>Link AANHPI students to faculty, staff, and alumni who represent their diverse identities and/or understand their cultural values to expand on opportunities for professional development, career exploration, and opportunities for resources and funding.</p>					
<p>Provide meaningful and increased representation of culturally relevant programming and high impact experiences for AANHPI groups.</p>					
<p>Increase curricular coverage and breadth of AANHPI culturally relevant issues and themes across disciplines.</p>					
<p>Increase university-wide knowledge about the strengths and challenges in the student/staff/faculty AANHPI population on both campuses in order to better serve these groups academically and professionally.</p>					
<p>Maximize opportunities for dedicated community spaces for the AANHPI student population and greater campus communities, and staffing structures that emphasize growth and retention for positions that serve this populations.</p>
